

Below find a possible change to § 114. ORDER ADJUDICATING PARENTAGE (d). The Health Department is asking that any other similar locations also be changed (e.g. § 309. PROCEDURE FOR RESCISSION OR CHALLENGE (e)).

(d) Amended birth ~~registration records~~. If the final order under subsection (a) of this section is at variance with the child's birth certificate, the Department of Health shall ~~issue an amended birth certificate~~. indicate on the birth certificate, by means of displaying or citation to an addendum, the names of legal parents.

I am not sure if this is useful or not, but in Act 46 last year, all references to vital records was worded as "records" not "registration".
