Bill Proposal	H.627	H.628	CSWD Position
9. Exempts haulers from providing service for mandatory recyclables and leaf and yard residuals in a municipality with an approved plan and the municipality has a certain housing density (low) or there is a facility in or adjacent to that municipality that accepts recyclables and leaf and yard waste.		X	CON
10. Eliminate requirement for haulers to collect leaf and yard residuals.	X		CON
11. Change requirement for solid waste facilities to collect food scraps only if they are within 20 miles of a certified organics management facility that manages food residuals.	X		CON
12. Remove the requirement for all generators of food scraps in 2020 to separate and manage food residuals from other solid waste.	X		CON
13. Require ANR to enforce against generators and not haulers transporting and disposing of landfill banned materials.	X		CON
14. Repeal variable rate pricing requirement.	X		CON
15. Addition of wine and other alcoholic beverages to bottle bill.		X	CON w/a alternative recommendation
16. Remove glass from mandatory list of recyclables.		X	CON
