Town of Tunbridge Selectboard

Dear Selectboard Members,

The House Committee on Natural Resources, Fish, and Wildlife discussed and adopted House Resolution 20 (H.R. 20) entitled “House Resolution opposing the proposed NewVistas development project in the rural areas of the towns of Royalton, Sharon, Strafford, and Tunbridge.” The House of Representatives subsequently voted to adopt H.R. 20 on the recommendation of the Committee.

While the Committee hopes the passage of this resolution assists you in achieving your goal, the Committee strongly urges you to enact zoning regulations and design control ordinances in order to protect your towns and to direct future developments there.

Sincerely,

Rep. Jim McCullough

Rep. Carol Ode

On behalf of the Committee
