

## H.576 Stormwater Discharge Permit and Fee Summary

Joint Fiscal Office 2/9/2018

### Current DEC Stormwater Fees (GP 3-9015 and GP 3-9010)<sup>1</sup>

	Per acre		Minimum	
	Class A	Class B	Class A	Class B
Administrative Processing Fee	\$240	\$240		
Application (first year)	\$1,400	\$860	\$1,400	\$440
Annual Operating (subsequent years)	\$310	\$160	\$310	\$160

<sup>1</sup> GP 3-9015 is a general permit that covers stormwater discharges from new development or redevelopment to waters that are not stormwater impaired. GP 3-9010 covers renewals of previously permitted discharges under GP 3-9015. General permit coverage must be renewed every five years.

Current Law	Per Acre		Minimum	
	Class A	Class B	Class A	Class B
