Office of the Governor

Executive Summary

Philosophy

The Executive Office is committed to ensuring every agency and department in state government is working together to:

- efficiently deliver high quality services to Vermonters;
- embrace a culture of continuous improvement and result-based accountability;
- provide relentlessly positive operational leadership;
- implement a clear strategic plan in partnership with the Chief Performance Officer; and
- produce measurable results.

Key Initiatives

A major focus of the Executive Office is coordinating and directing the Governor's priorities:

• Governor Scott signed four executive orders on Inauguration Day, establishing his strategic priorities, and creating teams to support his efforts to address the opiate epidemic and modernize state government.

Governor's Strategic Goals – the Governor has directed all State agencies and departments to utilize their powers, duties and programs to establish strengthening the Vermont economy, making Vermont more affordable, and protecting vulnerable Vermonters, as their top strategic and operational goals.

- Gov. Scott also established the Government Modernization and Efficiency Team (GMET), with Executive Order 03-17. GMET is informing efforts to make state government more efficient and effective for Vermonters.
- Accompanying the formation of GMET, Executive Order 04-17 created the Program to Improve Vermonter Outcomes Together (PIVOT), which is implementing and tracking progress of the implementation of the State's Strategic Plan and the Tactical Action Plans of the PIVOT initiative, among other work. These efforts are empowering state employees with modernized IT systems and training, and implement a customer-focused culture across state government.

These priorities – as defined by the Executive Orders -are helping to make government more effective for the people of Vermont. Every day, the Executive Office works to ensure the entire administration is implementing the strategic priorities of creating more economic opportunity, making the state more affordable, and helping families keep more of what they earn, while protecting our most vulnerable. If everyone in state government pulls in the same direction – towards these goals – we will move Vermont forward to a more prosperous future.

Office Functions Include:

- Constituent Services The Governor's Information and Referral Office (GIRO) supports Vermonters seeking assistance. Duties include coordinating and providing high quality constituent service and referrals, working with all agencies and departments, as well as outside organizations.
- Legislative Affairs & Policy Development Staff functions include communication and coordination, with Agencies/Departments as well as with the Legislature and private organizations, of the Governor's administrative and legislative agenda and priorities. The Governor's office also provides constituent service and referral at the request of legislators.

- Legal Administration/Obligations Staff support the Governor as he fulfills his constitutional and statutory duties as Vermont's Chief Executive. This includes extraditions, pardons, request for public records and other obligations.
- Public Information/Media Relations Staff serve as main point of contact for media on gubernatorial and administrative initiatives, field related press inquiries and provide the public information in a variety of circumstances.
- Boards & Commissions Duties include finding qualified and compassionate Vermonters to fill vacancies on over 180 Boards and Commissions; and appointing Justices of the Peace. Boards and Commissions are a critical part of the governmental process and an opportunity for Vermonters to contribute to our system of self-government.
- Government Modernization Reducing operating costs and streamlining services is essential to giving taxpayers the best value and results. To facilitate the modernization of state government, the Governor's PIVOT, GMET and strategic planning priorities are being coordinated and managed out of the Executive Office.

- Monitoring Public Safety The Executive Office collaborates with the Department of Public Safety, Vermont Emergency Management, the Agency of Transportation and other agencies/departments to monitor, and where necessary respond, to public safety events and emergencies.
- Scheduling The Executive Office manages the scheduling of the Governor's highly sought after time. The efficient use of the Governor's time is essential to the operations of state government and valuable to Vermonters who want to engage directly with the state's chief executive.

Funding Levels:

The FY 2019 budget request to the General Assembly doesn't reflect any changes from FY18.

Summary

The Governor's Office provides first-line guidance to state agencies and departments in order to ensure state government operates efficiently and effectively, as well as direct support to the constituents of the state of Vermont.
