17 Subchapter 5. Data Broker Protection Act

18 § 2446a. DEFINITIONS

19 As used in this section:

1 (1) “Data broker” means a commercial entity that collects, assembles, or
2 maintains personal information concerning individuals residing in Vermont
3 who are not customers or employees of that entity for the purposes of selling or
4 offering for sale, or other consideration, the personal information of a third
5 party. A commercial entity is not a data broker if it (A) sells such personal
 information solely as a service provider for a public agency and (B) does not utilize
 such personal information for any purpose other than providing such service on behalf
 of the public agency.

7 identifies, relates to, describes, or is capable of being associated with a
8 particular individual:

6 § 2446b. DATA BROKER REGISTRATION; REPORTING

7 (a) A data broker shall register with the Department of Financial
8 Regulation in the form and manner prescribed by the Department.

9 (b) Annually, on or before January 15 each year, a data broker shall submit
10 a report to the Department of Financial Regulation on its activities in the State.
11 The report shall include the source of the personal information, the nature of
12 the personal information, and a description of the data broker’s vetting
13 procedures.

14 § 2446c. CUSTOMER IDENTIFICATION PROGRAM

15 A data broker shall have a written customer identification program that
16 includes certain minimum requirements, as set forth in guidelines established
17 by the Department of Financial Regulation. A data broker’s customer
18 identification program is intended to enable the data broker to form a
19 reasonable belief that it knows the true identity of any customer purchasing
20 personal information, and that the customer is not purchasing the information
21 for an illegal purpose

1 § 2446d. PUBLIC AGENCY; SALE OF DATA; RECORDKEEPING

2 REQUIREMENTS

3 Any public agency, or service provider of a public agency, that sells personal
4 information to a data broker shall

5 maintain a record of the sale, including the name of the data broker and the

7 construed to authorize a public agency to sell personal information the sale or

8 release of which is prohibited by law.

10 With respect to a data broker registered pursuant to this subchapter, the

11 Department of Financial Regulation and the Attorney General shall have full

12 authority to investigate potential violations of this subchapter and to prosecute,

13 obtain, and impose remedies for a violation of this subchapter or any rules or

14 regulations adopted pursuant to this subchapter, as the Department has under

15 Title 8 or this title and the Attorney General has under chapter 63 of this title.
