11 person making a request to place or remove a protected consumer security
12 freeze.

21 *** Use of Credit Information for Personal Insurance; H.432 ***

1 Sec. 13. 8 V.S.A. § 4727 is added to read:

2 § 4727. PERSONAL INSURANCE; USE OF CREDIT INFORMATION

3 (a) Purpose. The purpose of this section is to regulate the use of credit
4 information for personal insurance, so that consumers are afforded certain
5 protections with respect to the use of such information.

6 (b) Scope. This section applies to personal insurance and not to
7 commercial insurance. As used in this section, “personal insurance” means
8 private passenger automobile, homeowners, motorcycle, mobile home owners,
9 and noncommercial dwelling fire insurance policies, and any other policies
10 individually underwritten for personal, family, or household use.

11 (c) Definitions. As used in this section:

12 (1) “Adverse action” means a denial or cancellation of, an increase in
13 any charge for, or a reduction or other adverse or unfavorable change in the
14 terms of coverage or amount of, any insurance, existing or applied for, in
15 connection with the underwriting of personal insurance.

16 (2) “Affiliate” means any company that controls, is controlled by, or is
17 under common control with another company.

18 (3) “Applicant” means an individual who has applied to be covered by a
19 personal insurance policy with an insurer.

1 (4) “Consumer” means an insured whose credit information is used or
2 whose insurance score is calculated in the underwriting or rating of a personal
3 insurance policy or an applicant for such a policy.

4 (5) “Consumer reporting agency” means any person which, for
5 monetary fees, dues, or on a cooperative nonprofit basis, regularly engages in
6 whole or in part in the practice of assembling or evaluating consumer credit
7 information or other information on consumers for the purpose of furnishing
8 consumer reports to third parties.

9 (6) “Credit information” means any credit-related information derived
10 from a credit report, found on a credit report itself, or provided on an
11 application for personal insurance. Information that is not credit-related shall
12 not be considered “credit information,” regardless of whether it is contained in
13 a credit report or in an application, or is used to calculate an insurance score.

14 (7) “Credit report” means any written, oral, or other communication of
15 information by a consumer reporting agency bearing on a consumer’s credit
16 worthiness, credit standing, or credit capacity which is used or expected to be
17 used or collected in whole or in part for the purpose of serving as a factor to
18 determine personal insurance premiums, eligibility for coverage, or tier
19 placement.

20 (8) “Insurance score” means a number or rating that is derived from an
21 algorithm, computer application, model, or other process that is based in whole

1 or in part on credit information for the purposes of predicting the future
2 insurance loss exposure of an individual applicant or insured.

3 (d) Use of credit information. An insurer authorized to do business in this
4 State that uses credit information to underwrite or rate risks, shall not:

5 (1) Use an insurance score that is calculated using income, gender,
6 address, zip code, ethnic group, religion, marital status, or nationality of the
7 consumer as a factor.

8 (2) Deny, cancel or nonrenew a policy of personal insurance solely on
9 the basis of credit information, without consideration of any other applicable
10 underwriting factor independent of credit information and not expressly
11 prohibited by subdivision (1) of this subsection.

12 (3) Base an insured's renewal rates for personal insurance solely upon
13 credit information, without consideration of any other applicable factor
14 independent of credit information.

15 (4) Take an adverse action against a consumer solely because he or she
16 does not have a credit card account, without consideration of any other
17 applicable factor independent of credit information.

18 (5) Consider an absence of credit information or an inability to calculate
19 an insurance score in underwriting or rating personal insurance, unless the
20 insurer does one of the following:

1 (A) Treats the consumer as otherwise approved by the
2 Commissioner, if the insurer presents information that such an absence or
3 inability relates to the risk for the insurer.

4 (B) Treats the consumer as if the applicant or insured had neutral
5 credit information, as defined by the insurer.

6 (C) Excludes the use of credit information as a factor and uses only
7 other underwriting criteria.

8 (6) Take an adverse action against a consumer based on credit
9 information, unless an insurer obtains and uses a credit report issued or an
10 insurance score calculated within 90 days from the date the policy is first
11 written or renewal is issued.

12 (7) Use credit information unless not later than every 36 months
13 following the last time that the insurer obtained current credit information for
14 the insured, the insurer recalculates the insurance score or obtains an updated
15 credit report. Regardless of the requirements of this subsection:

16 (A) At annual renewal, upon the request of a consumer or the
17 consumer's agent, the insurer shall reunderwrite and rerate the policy based
18 upon a current credit report or insurance score. An insurer need not recalculate
19 the insurance score or obtain the updated credit report of a consumer more
20 frequently than once in a 12-month period.

1 (B) The insurer shall have the discretion to obtain current credit
2 information upon any renewal before the 36 months, if consistent with its
3 underwriting guidelines.

4 (C) No insurer need obtain current credit information for an insured,
5 despite the requirements of subdivision (A) of this subdivision (7), if one of the
6 following applies:

7 (i) The insurer is treating the consumer as otherwise approved by
8 the Commissioner.

9 (ii) The insured is in the most favorably priced tier of the insurer,
10 within a group of affiliated insurers. However, the insurer shall have the
11 discretion to order such report, if consistent with its underwriting guidelines.

12 (iii) Credit was not used for underwriting or rating such insured
13 when the policy was initially written. However, the insurer shall have the
14 discretion to use credit for underwriting or rating such insured upon renewal, if
15 consistent with its underwriting guidelines.

16 (iv) The insurer reevaluates the insured beginning not later than
17 36 months after inception and thereafter based upon other underwriting or
18 rating factors, excluding credit information.

19 (8) Use the following as a negative factor in any insurance scoring
20 methodology or in reviewing credit information for the purpose of
21 underwriting or rating a policy of personal insurance:

1 (A) credit inquiries not initiated by the consumer or inquiries
2 requested by the consumer for his or her own credit information;

3 (B) inquiries relating to insurance coverage, if so identified on a
4 consumer's credit report;

5 (C) collection accounts with a medical industry code, if so identified
6 on the consumer's credit report;

7 (D) multiple lender inquiries, if coded by the consumer reporting
8 agency on the consumer's credit report as being from the home mortgage
9 industry and made within 30 days of one another, unless only one inquiry is
10 considered; and

11 (E) multiple lender inquiries, if coded by the consumer reporting
12 agency on the consumer's credit report as being from the automobile lending
13 industry and made within 30 days of one another, unless only one inquiry is
14 considered.

15 (e)(1) Extraordinary life circumstances. Notwithstanding any other law or
16 rule to the contrary, an insurer that uses credit information shall, on written
17 request from an applicant for insurance coverage or an insured, provide
18 reasonable exceptions to the insurer's rates, rating classifications, company or
19 tier placement, or underwriting rules or guidelines for a consumer who has
20 experienced and whose credit information has been directly influenced by any
21 of the following events:

1 (A) a catastrophic event, as declared by the federal or State
2 government;

3 (B) a serious illness or injury, or a serious illness or injury to an
4 immediate family member;

5 (C) the death of a spouse, child, or parent;

6 (D) divorce or involuntary interruption of legally owed alimony or
7 support payments;

8 (E) identity theft;

9 (F) the temporary loss of employment for a period of three months or
10 more, if it results from involuntary termination;

11 (G) military deployment overseas; or

12 (H) other events, as determined by the insurer.

13 (2) If an applicant or insured submits a request for an exception as set
14 forth in subdivision (1) of this subsection, an insurer may, in its sole discretion,
15 but is not mandated to:

16 (A) require the consumer to provide reasonable written and
17 independently verifiable documentation of the event;

18 (B) require the consumer to demonstrate that the event had direct and
19 meaningful impact on the consumer's credit information;

20 (C) require such request be made no more than 60 days from the date
21 of the application for insurance or the policy renewal;

1 (D) grant an exception despite the consumer not providing the initial
2 request for an exception in writing; or

3 (E) grant an exception where the consumer asks for consideration of
4 repeated events or the insurer has considered this event previously.

5 (3) An insurer is not out of compliance with any law or rule relating to
6 underwriting, rating, or rate filing as a result of granting an exception under
7 this section. Nothing in this section shall be construed to provide a consumer
8 or other insured with a cause of action that does not exist in the absence of this
9 section.

10 (4) The insurer shall provide notice to consumers that reasonable
11 exceptions are available and information about how the consumer may inquire
12 further.

13 (5) Within 30 days of the insurer's receipt of sufficient documentation
14 of an event described in subdivision (1) of this subsection, the insurer shall
15 inform the consumer of the outcome of the request for a reasonable exception.
16 Such communication shall be in writing or provided to an applicant in the same
17 medium as the request.

18 (f) Dispute resolution and error correction. If it is determined through the
19 dispute resolution process set forth in the federal Fair Credit Reporting Act, 15
20 U.S.C. § 1681i(a)(5), that the credit information of a current insured was
21 incorrect or incomplete and if the insurer receives notice of such determination

1 from either the consumer reporting agency or from the insured, the insurer
2 shall reunderwrite and rerate the consumer within 30 days of receiving the
3 notice. After reunderwriting or rerating the insured, the insurer shall make any
4 adjustments necessary, consistent with its underwriting and rating guidelines.

5 If an insurer determines that the insured has overpaid premium, the insurer
6 shall refund to the insured the amount of overpayment calculated back to the
7 shorter of either the last 12 months of coverage or the actual policy period.

8 (g)(1) Initial notification. If an insurer writing personal insurance uses
9 credit information in underwriting or rating a consumer, the insurer or its agent
10 shall disclose, either on the insurance application or at the time the insurance
11 application is taken, that it may obtain credit information in connection with
12 such application. Such disclosure shall be either written or provided to an
13 applicant in the same medium as the application for insurance. The insurer
14 need not provide the disclosure statement required under this section to any
15 insured on a renewal policy if such consumer has previously been provided a
16 disclosure statement.

17 (2) Use of the following example disclosure statement constitutes
18 compliance with this section: “In connection with this application for
19 insurance, we may review your credit report or obtain or use a credit-based
20 insurance score based on the information contained in that credit report. We

1 may use a third party in connection with the development of your insurance
2 score.”

3 (h) Adverse action notification. If an insurer takes an adverse action based
4 upon credit information, the insurer must meet the notice requirements of this
5 subsection. Such insurer shall:

6 (1) Provide notification to the consumer that an adverse action has been
7 taken, in accordance with the requirements of the federal Fair Credit Reporting
8 Act, 15 U.S.C. § 1681m(a).

9 (2) Provide notification to the consumer explaining the reason for the
10 adverse action. The reasons must be provided in sufficiently clear and specific
11 language so that a person can identify the basis for the insurer’s decision to
12 take an adverse action. Such notification shall include a description of up to
13 four factors that were the primary influences of the adverse action. The use of
14 generalized terms such as “poor credit history,” “poor credit rating,” or “poor
15 insurance score” does not meet the explanation requirements of this subsection.
16 Standardized credit explanations provided by consumer reporting agencies or
17 other third party vendors are deemed to comply with this section.

18 (i) Filing. Insurers that use insurance scores to underwrite and rate risks
19 must file their scoring models, or other scoring processes, with the Department
20 of Financial Regulation. A third party may file scoring models on behalf of
21 insurers. A filing that includes insurance scoring may include loss experience

1 justifying the use of credit information. Any filing relating to credit
2 information is considered trade secret under and not subject to disclosure under
3 Vermont’s Public Records Act.

4 (j) Indemnification. An insurer shall indemnify, defend, and hold agents
5 harmless from and against all liability, fees, and costs arising out of or relating
6 to the actions, errors, or omissions of a producer who obtains or uses credit
7 information or insurance scores, or both, for an insurer, provided the producer
8 follows the instructions of or procedures established by the insurer and
9 complies with any applicable law or regulation. Nothing in this section shall
10 be construed to provide a consumer or other insured with a cause of action that
11 does not exist in the absence of this section.

12 (k) Sale of policy term information by consumer reporting agency. A
13 consumer reporting agency shall not provide or sell data or lists that include
14 any information that in whole or in part was submitted in conjunction with an
15 insurance inquiry about a consumer’s credit information or a request for a
16 credit report or insurance score. Such information includes the expiration
17 dates of an insurance policy or any other information that may identify time

10 (4) A court shall not construe a prospective defendant's failure to

17 (II) the defendant is able to comply with the plan and meet the
