

1 Introduced by Committee on Commerce and Economic Development

2 Date:

3 Subject: Commerce and trade; workforce development

4 Statement of purpose of bill as introduced: This bill proposes to provide a
5 framework for a public engagement process and succeeding steps to modernize
6 and strengthen the State workforce development system.

7 An act relating to workforce development

8 It is hereby enacted by the General Assembly of the State of Vermont:

9 Sec. 1. FINDINGS AND INTENT

10 (a) Findings. The General Assembly finds:

11 (1) A skilled and productive workforce is critical for the economic
12 vitality of Vermont. However, our State currently faces several key labor
13 market challenges:

14 (A) Employers throughout our State are facing an extremely serious
15 and ongoing skills gap due to the lack of qualified workers to fill a wide range
16 of jobs across multiple sectors, today and into the future.

17 (B) Vermont has one of the lowest unemployment rates in the
18 country, and there are not enough workers at all skill levels to fill current job
19 vacancies.

1 (C) Many Vermonters are underemployed and require training to
2 update their skills and find available job opportunities that match their
3 interests.

4 (D) Many Vermonters who are unemployed or underemployed face
5 significant barriers to employment and require more support in overcoming
6 these barriers.

7 (E) Vermont youth currently access postsecondary learning at the
8 lowest rates in New England and with significant inequities by family income
9 and background. A strategic focus on addressing equity in postsecondary
10 learning opportunities, in alignment with workforce needs, will ensure
11 Vermont maximizes the potential of every Vermonter to contribute to the labor
12 market.

13 (F) Parents, youths, and families are facing a future where the next
14 generation of workers may not have the same opportunities to prosper as the
15 previous one.

16 (G) Vermont has a series of fragmented workforce development
17 programs, but not a unified workforce development system. The recently
18 reconstituted State Workforce Development Board is central to creating such a
19 system.

20 (2) A major part of the solution to these challenges lies in Vermont's
21 building an effective and efficient State workforce development system that is

1 a diverse public-private partnership among employers, government, and
2 education and training providers designed to ensure that individuals have the
3 skills needed by businesses.

4 (b) Intent. In adopting this act, it is the intent of the General Assembly:

5 (1) to commit to a redesign of Vermont’s workforce development and
6 training system through a concerted three-year effort led by the Commissioner
7 of Labor, in collaboration with key administration partners, the education and
8 training communities, and other stakeholders from business and government.

9 (2) to create a framework for this three-year process that will result in a
10 more coherent, efficient, and effective workforce development system within
11 which:

12 (A) all Vermonters who want to work, and all employers who want
13 workers, can connect through education and training with what they need to
14 thrive; and

15 (B) stakeholders and programs, both inside and outside State
16 government, are optimally connected and aligned.

17 Sec. 2. STATE WORKFORCE DEVELOPMENT; PUBLIC ENGAGEMENT
18 PROCESS; DUTIES

19 (a)(1) The State Workforce Development Board, in cooperation with the
20 Department of Labor and the Agencies of Commerce and Community
21 Development, of Education, of Human Services, of Agriculture, Food and

1 Markets, of Natural Resources, and of Transportation, shall conduct a public
2 engagement process consistent with 20 C.F.R. §§ 679.100 and 679.130 and
3 10 V.S.A. § 541a to establish a vision and shared goals for meeting Vermont’s
4 21st century workforce education, training, recruitment, and retention needs.

5 (2) The public engagement process shall be designed to inform
6 workforce-related aspects of other state strategic plans and reports, including
7 the Workforce Innovation and Opportunity Act State Plan, the State Economic
8 Development Marketing Plan, and the Statewide Comprehensive Economic
9 Development Strategy.

10 (3) In evaluating the current workforce service delivery system, the
11 Board shall use a data-driven process and solicit the perspectives of job-
12 seekers, incumbent workers, employers, industry representatives, program
13 administrators, and workforce service delivery providers.

14 (4)(A) The Board shall adopt a vision and describe the State’s collective
15 goals by February 1, 2020.

16 (B) The vision, goals, and any findings or recommendations shall be
17 posted online.

18 (C) The Board shall provide advance notice to the Chair and Vice
19 Chair of the House Committee on Commerce and Economic Development and
20 the Senate Committee on Economic Development, Housing and General

1 Affairs if the recommendations may require legislative action during the 2020
2 legislative session.

3 (5) The vision and goals shall serve as the basis for an action plan to
4 revitalize Vermont’s workforce development system.

5 (b) The Board may create a social network map of workforce service
6 delivery providers, employers, workforce program administrators, and industry
7 representatives to:

8 (1) develop baseline data in conformance with the Workforce
9 Innovation and Opportunity Act of how individuals, including new Americans,
10 and organizations, both within and outside State government, are involved with
11 workforce development and training around the State;

12 (2) analyze the relative level of connectivity of people and programs
13 managed inside and outside State government; and

14 (3) identify opportunities to strengthen connectivity to achieve greater
15 program alignment toward and realize the Board’s vision for the State’s
16 workforce development and training system.

17 (c) The Board shall identify what resources are necessary to maintain the
18 network map over time and track changes in levels of connectivity and
19 alignment across the stakeholder community.

1 (d) The Board may, in compliance with any employment and
2 confidentiality regulations, and after reviewing currently available data and
3 resources, collect information from:

4 (1) “front line” service delivery providers to understand how the current
5 system is and is not serving the needs of job seekers and employers;

6 (2) employers and employees to understand the effectiveness of
7 existing workforce programs; and

8 (3) past and present participants of training programs to understand if
9 the program met their expectations and led to a job in their field of interest or
10 training.

11 (e) The Board may initiate activities to improve understanding by
12 stakeholders concerning:

13 (1) the workforce development system;

14 (2) the Workforce Investment and Opportunity Act;

15 (3) the role of the Board; and

16 (4) how the Act governs workforce development funding and policies
17 implemented by the State.

18 (f) The Board, in cooperation with the Department of Labor and Agencies
19 of Commerce and Community Development, of Education, of Human
20 Services, of Agriculture, Food and Markets, of Natural Resources, and of
21 Transportation, shall review methods of employer engagement and evaluate

1 the tools available to employers to facilitate their access to and retention of
2 workers. The Board may recommend strategies for improvement to address:

3 (1) how employer outreach positions in each of the State-funded field
4 offices might be shared;

5 (2) what type of coordination is needed between the State level
6 employer outreach staff and local workforce organizations, including staff of
7 the regional development corporations and regional planning commissions, to
8 better serve employers;

9 (3) whether establishing a One Stop American Job Center in each region
10 to provide comprehensive customer-driven services for employers and job
11 seekers could serve businesses better, improve responsiveness to emerging
12 sector needs, and increase access to qualified, available workers through direct
13 outreach and recruitment;

14 (4) scaling or expanding pilot projects that link experts with career and
15 industry knowledge directly with middle or high schools, or both, to foster
16 career readiness and exploration; and

17 (5) ways to share data and information collected from employers among
18 parties who implement workforce development programs.

19 (g) The Board shall review how functions performed by local workforce
20 investment boards, career technical education regional advisory boards,
21 regional planning commissions, regional development corporations, and other

1 regional economic development and workforce related boards could be more
2 equitably executed from region to region, and recommend structures that
3 would foster better regional collaboration, alignment, and employer
4 participation.

5 (h) Following the public engagement process outlined in subsection (a) of
6 this section, the Board may make recommendations to align relevant funding
7 sources to promote:

8 (1) employer-driven workforce education and training opportunities;

9 (2) results-based outcomes;

10 (3) innovative and effective initiatives, pilots, or demonstration
11 programs that can be scaled to the rest of the State;

12 (4) access to federal resources that enable more innovative programs
13 and initiatives in Vermont; and

14 (5) equitable access to employment and training opportunities for
15 women and underrepresented populations in Vermont.

16 (i) The Department of Labor, with assistance from the Board, shall
17 facilitate the sharing of information among workforce development and
18 training delivery organizations so they may stay current with initiatives and
19 plans related to building an effective workforce development system.

3 (a) As used in this section, “Career Pathways” means a combination of

8 occupation or occupational cluster.

9 (b) The Agency of Education, in partnership with the State Workforce
10 Development Board, shall promote policies that support introduction of Career
11 Technical Education (CTE) opportunities of study to middle school students,
12 along with career readiness and awareness activities.

13 (c) The Agency of Education, in partnership with the Board, shall promote
14 collaboration among middle schools and regional CTE centers that may result
15 in:

16 (1) development and delivery of introductory CTE courses or lessons to
17 introduce middle school students to Career Pathways and CTE programs, as
18 appropriate;

15 of this section, the Agency of Education shall recommend flexible and student-
16 centered policies that:

17 (1) support equitable access and opportunity to participate in CTE pre-
18 tech foundation and exploratory programs for students in grades 9 and 10,

6 CTE centers to avoid unnecessary duplication of programs of study already
7 provided by the centers.

9 within the Agency of Education to perform the functions currently performed
10 by the limited service Career Pathways Coordinator position.

11 (l) The Agency of Education and the Department of Labor shall support

7 certificate programs to facilitate targeted investments in programs that meet
8 industry needs.

9 (c) The Board shall create and review periodically publicly available
10 documents that list:

11 (1) current industry, State, and federally recognized credentials;
