Vermont Consumers Have the Right to Obtain a Security Freeze

You have a right to place a "security freeze" on your credit report pursuant to 9 V.S.A. § 2480h at no charge ~~if you are a victim of identity theft. All other~~

~~Vermont consumers will pay a fee to the credit reporting agency of up to $10.00 to place the freeze on their credit report~~. The security freeze will prohibit a credit reporting agency from releasing any information in your credit report without your express authorization. A security freeze must be requested in writing by certified mail.

The security freeze is designed to help prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gains access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding new loans, credit, mortgage, insurance, government services or payments, rental housing, employment, investment, license, cellular phone, utilities, digital signature, ~~internet~~ Internet credit card transaction, or other services, including an extension of credit at point of sale.

When you place a security freeze on your credit report, within ten business days you will be provided a personal identification number or password to use if you choose to remove the freeze on your credit report or authorize the release of your credit report for a specific party, parties, or period of time after the freeze is in place. To provide that authorization, you must contact the credit reporting agency and provide all of the following:

(1) The unique personal identification number or password provided by the credit reporting agency.

(2) Proper identification to verify your identity.

(3) The proper information regarding the third party or parties who are to receive the credit report or the period of time for which the report shall be available to users of the credit report.

A credit reporting agency may not charge a fee ~~of up to $5.00 to a consumer who is not a victim of identity theft~~ to remove the freeze on your credit report or authorize the release of your credit report for a specific party, parties, or period of time after the freeze is in place. ~~For a victim of identity theft, there is no charge when the victim submits a copy of a police report, investigative report, or complaint filed with a law enforcement agency about unlawful use of the victim's personal information by another person.~~

A credit reporting agency that receives a request from a consumer to lift temporarily a freeze on a credit report shall comply with the request no later than three business days after receiving the request.

A security freeze will not apply to "preauthorized approvals of credit." If you want to stop receiving preauthorized approvals of credit, you should call [INSERT PHONE NUMBERS] [ALSO INSERT ALL OTHER CONTACT INFORMATION FOR PRESCREENED OFFER ~~OPT-OUT~~ OPT-OUT.]

A security freeze does not apply to a person or entity, or its affiliates, or collection agencies acting on behalf of the person or entity with which you have an existing account that requests information in your credit report for the purposes of reviewing or collecting the account, provided you have previously given your consent to this use of your credit reports. Reviewing the account includes activities related to account maintenance, monitoring, credit line increases, and account upgrades and enhancements.

You have a right to bring a civil action against someone who violates your rights under the credit reporting laws. The action can be brought against a credit reporting agency or a user of your credit report."

(d) The information required to be disclosed by this section shall be disclosed in writing. The information required to be disclosed pursuant to subsection (c) of this section shall be disclosed on one side of a separate document, with text no smaller than that prescribed by the Federal Trade Commission for the notice required under 15 U.S.C. ~~§ 1681q~~ § 1681g. The information required to be disclosed pursuant to subsection (c) of this section may accurately reflect changes in numerical items that change over time (such as the ~~phone~~ telephone number or address of Vermont State agencies), and remain in compliance.

(e) The Attorney General may revise this required notice by rule as appropriate from time to time so long as no new substantive rights are created therein.
