

Federal FY16 Projects Priority List - Drinking Water State Revolving Loan Fund Projects Potentially Underway During FY18

Last Updated 2-15-2017

E. Blatt, Facilities Engineering Division, DEC

Current Adopted FFY16 DWSRF List Construction Projects Anticipated in SFY18	Project Description	Notes	Loan Amount
North Harbor (Colchester)	Disinfection improvements & other system work	Anticipate awarding shortly	135,000
Champlain Water District - Williston	New storage tank	Anticipate awarding shortly	1,700,000
South Hero FD#4 - DBP	Treatment optimization to address DBPs	Bonding late spring	250,000
Wells River	New storage, booster station, waterline replacement	Partially funded using USDA RD	1,104,000
North Bennington	Waterline extension for PFOA contamination		2,000,000
Newport Center	Arsenic treatment, connect new water source	Going to USDA RD	500,000
East Thetford	Comprehensive water sytem improvements		50,000
Jeffersonville	Comprehensive water sytem improvements		4,680,000
Websterville FD#3	Distribution system upgrades		1,500,000
Rutland City - Tank	Equalizaiton tank, but PER proposes different solution	Project design is changing; must re-bond	1,700,000
Richmond - West Main Street	Waterline extension to Riverview MHP		1,500,000
Springfield - Clinton Street	Clinton Street waterline replacement		960,500
Jericho Underhill Water District	Booster pump replacement	May delay and go in FY19 or later	350,000
St Johnsbury - Filter	Water treatment plant upgrade	Still in design	4,780,000
St Albans City	New storage tank		1,200,000
Montpelier - Northfield Street	Waterline replacement on Northfield Street	Anticipate awarding late spring	1,500,000
Pinnacle Condos (Killington)	Comprehensive water sytem improvements		150,000
Milton	Replace PRV and waterline on Railroad St		1,915,000
South Hero FD#4 - Water Treatment	Water treatment plant upgrade	Bonding late spring	1,800,000
North Hero - Water Treatment	Water treatment plant expansion		1,000,000
Subtotal Fundable			28,774,500
Newport City (Lakemont Neighborhood)	Water line installation		500,000
Bakersfield FD#1	Source exploration and connection		350,000
Ludlow	Waterline replacement	Funded by USDA RD	625,000
Peacham FD#1	Waterline replacement	Still in design	250,000
St. Johnsbury - Oak Street	Waterline and booster station replacement	Funded by USDA RD	430,000
Hinesburg	Source exploration and connection		750,000
Bethel	Customer meters		400,000
Marshfield Village	Waterline replacement		185,000
Subtotal Currently Non Fundable Projects			3,490,000
Total FFY16 Priority List			32,264,500

Glossary:

DBP: Disinfection Byproducts

PER: Preliminary Engineering Report

USDA RD: United States Department of Agriculture Rural Development

PRV: Pressure Reducing Valve

Note: Projects that do not meet ready-to-proceed criteria will be bypassed enabling funding to extend further down the list.
