5 Sec. 22. ACT 46 FINDINGS

6 (a) 2015 Acts and Resolves No. 46 established a multi-year, phased process  
7 that provides multiple opportunities for school districts to unify existing  
8 governance units into more “sustainable governance structures” designed to  
9 meet the General Assembly’s identified educational and fiscal goals while  
10 recognizing and reflecting local priorities. It has been the General Assembly’s  
11 intent to revitalize Vermont’s small schools – to promote equity in their  
12 offerings and stability in their finances – through these changes in governance.

13 (b) As of Town Meeting Day 2017, voters in 96 Vermont towns have voted  
14 to merge 104 school districts into these slightly larger, more sustainable  
15 governance structures, resulting in the creation of 20 new unified union  
16 districts (serving prekindergarten–grade 12 students). As a result,  
17 approximately 60 percent of Vermont’s school-age children live or will soon  
18 live in districts that satisfy the goals of Act 46.

19 (c) These slightly larger, more flexible unified union districts have begun to  
20 realize distinct benefits, including the ability to offer kindergarten–grade 8  
21 choice among elementary schools within the new district boundaries; greater

1 flexibility in sharing students, staff, and resources among individual schools;  
2 the elimination of bureaucratic redundancies; and the flexibility to create  
3 magnet academies, focusing on a particular area of specialization by school.

4 (d) Significant areas of the State, however, have experienced difficulty  
5 satisfying the goals of Act 46. The range of complications is varied, including  
6 operating or tuitioning models that differ among adjoining districts, geographic  
7 isolation due to lengthy driving times or inhospitable travel routes between  
8 proposed merger partners, and greatly differing levels of debt per equalized  
9 pupil between districts involved in merger study committees. This act is  
10 designed to make useful changes to the merger time lines and allowable  
11 governance structures under Act 46 without weakening or eliminating the  
12 Act’s fundamental phased merger and incentive structures and requirements.

9 (A) operating a school or schools for all resident students in  
10 prekindergarten through grade 12;

11 (B) operating a school or schools for all resident students in some

17 Sec. 24. THREE-BY-ONE SIDE-BY-SIDE STRUCTURE; REGIONAL  
18 EDUCATION DISTRICT INCENTIVES

19 (a) Notwithstanding 2010 Acts and Resolves No. 153, Sec. 3(a)(1) that  
20 requires a single regional education district (RED) to have an average daily  
21 membership of at least 1,250 or result from the merger of at least four districts,

1 or both, a new district shall be eligible for the incentives provided in No. 153,  
2 Sec. 4 as amended by 2012 Acts and Resolves No. 156 and 2015 Acts and  
3 Resolves No. 46 if:

4 (1) The new district is formed by the merger of at least three existing  
5 districts (Merged District) and, together with an existing district (Existing  
6 District), are members of the same supervisory union following the merger  
7 (Three-by-One Side-by-Side Structure).

8 (2) As of March 7, 2017 (Town Meeting Day), the Existing District is  
9 either:

10 (A) geographically isolated, due to lengthy driving times or  
11 inhospitable travel routes between the Existing District's school or schools and  
12 the nearest school in which there is excess capacity as determined by the State  
13 Board of Education;

14 (B) structurally isolated, because all adjoining school districts have  
15 operating or tuitioning models that differ from the Existing District; or

16 (C) unable to reach agreement to consolidate with one or more other  
17 adjoining school districts because the school districts that adjoin the Existing  
18 District have greatly differing levels of indebtedness per equalized pupil, as  
19 defined in 16 V.S.A. § 4001(3), from that of the Existing District as  
20 determined by the State Board of Education.

1           (3) The Merged District and the Existing District each has a model of  
2           operating schools or paying tuition that is different from the model of the  
3           other. These models are:

4                   (A) operating a school or schools for all resident students in  
5                   prekindergarten through grade 12;

6                   (B) operating a school or schools for all resident students in some  
7                   grades and paying tuition for resident students in the other grades; or

8                   (C) operating no schools and paying tuition for all resident students  
9                   in prekindergarten through grade 12.

10           (4) The Three-by-One Side-by-Side Structure meets all criteria for RED  
11           formation other than the size criterion of 2010 Acts and Resolves No. 153,  
12           Sec. 3(a)(1) (average daily membership of at least 1,250) and otherwise as  
13           provided in this section.

14           (5) The districts seeking approval of their proposed Three-by-One Side-  
15           by-Side Structure demonstrate in their report presented to the State Board that  
16           this structure is better suited to them than a governance structure described in  
17           2015 Acts and Resolves No. 46, Sec. 6, and will meet the goals set forth in  
18           Sec. 2 of that Act.

19           (6) The districts proposing to merge into the Merged District receive  
20           final approval from their electorate for the merger proposal on or before

1 November 30, 2017, and the Merged District becomes fully operational on or  
2 before July 1, 2019.

3 (b) The incentives provided in 2010 Acts and Resolves No. 153, Sec. 4  
4 shall be available to the Merged District and shall not be available to the  
5 Existing District.

6 (c) The Existing District shall be exempt from the requirement under 2015  
7 Acts and Resolves No. 46, Secs. 9 and 10 to self-evaluate and make a proposal  
8 to the Secretary of Education and State Board of Education and from the State  
9 Board's plan.

10 Sec. 25. TWO-BY-TWO-BY-ONE SIDE-BY-SIDE STRUCTURE;

11 REGIONAL EDUCATION DISTRICT INCENTIVES

12 (a) Notwithstanding 2010 Acts and Resolves No. 153, Sec. 3(a)(1) that  
13 requires a single regional education district (RED) to have an average daily  
14 membership of at least 1,250 or result from the merger of at least four districts,  
15 or both, two or more new districts shall be eligible for the incentives provided  
16 in No. 153, Sec. 4 as amended by 2012 Acts and Resolves No. 156 and 2015  
17 Acts and Resolves No. 46 if:

18 (1) Each new district is formed by the merger of at least two existing  
19 districts (each a Merged District) and, together with an existing (Existing  
20 District), are members of the same supervisory union following the merger  
21 (Two-by-Two-by-One Side-by-Side Structure).

1           (2) As of March 7, 2017 (Town Meeting Day), the Existing District is  
2           either:

3                   (A) geographically isolated, due to lengthy driving times or  
4           inhospitable travel routes between the Existing District’s school or schools and  
5           the nearest school in which there is excess capacity as determined by the State  
6           Board of Education;

7                   (B) structurally isolated, because all adjoining school districts have  
8           operating or tuitioning models that differ from the Existing District; or

9                   (C) unable to reach agreement to consolidate with one or more other  
10          adjoining school districts because the school districts that adjoin the Existing  
11          District have greatly differing levels of indebtedness per equalized pupil, as  
12          defined in 16 V.S.A. § 4001(3), from that of the Existing District as  
13          determined by the State Board of Education.

14                  (3) Each Merged District and the Existing District has a model of  
15          operating schools or paying tuition that is different from the model of each  
16          other. These models are:

17                   (A) operating a school or schools for all resident students in  
18          prekindergarten through grade 12;

19                   (B) operating a school or schools for all resident students in some  
20          grades and paying tuition for resident students in the other grades; or

1           (C) operating no schools and paying tuition for all resident students  
2           in prekindergarten through grade 12.

3           (4) The Two-by-Two-by-One Side-by-Side Structure meets all criteria  
4           for RED formation other than the size criterion of 2010 Acts and Resolves  
5           No. 153, Sec. 3(a)(1) (average daily membership of at least 1,250) and  
6           otherwise as provided in this section.

7           (5) The districts seeking approval of their proposed Two-by-Two-by-  
8           One Side-by-Side Structure demonstrate in their report presented to the State  
9           Board that this structure is better suited to them than a governance structure  
10           described in 2015 Acts and Resolves No. 46, Sec. 6, and will meet the goals set  
11           forth in Sec. 2 of that act.

12           (6) Each Merged District has the same effective date of merger.

13           (7) The districts proposing to merge into each Merged District receive  
14           final approval from their electorate for the merger proposal on or before  
15           November 30, 2017, and each Merged District becomes fully operational on or  
16           before July 1, 2019.

17           (b) The incentives provided in 2010 Acts and Resolves No. 153, Sec. 4  
18           shall be available to each Merged District and shall not be available to the  
19           Existing District.

20           (c) The Existing District shall be exempt from the requirement under 2015  
21           Acts and Resolves No. 46, Secs. 9 and 10 to self-evaluate and make a proposal

1 to the Secretary of Education and State Board of Education and from the State
