21st Century Community Learning Centers External Organization List

The Vermont Agency of Education (AOE) is required, under the Every Student Succeeds Act (ESSA), Title IV, Part B, 21st Century Community Learning Centers (21st CCLC), to provide a list of prescreened external organizations. The term “external organization” is defined, by ESSA, as: “(A) a nonprofit organization with a record of success in running or working with before and after school (or summer recess) programs and activities; or (B) in the case of a community where there is no such organization, a nonprofit organization in the community that enters into a written agreement or partnership with an organization described in subparagraph (A) to receive mentoring and guidance in running or working with before and after school (or summer recess) programs and activities” (ESSA, section 4201).

To meet the requirements for the minimum record of success, any organization submitting a Profile must:

- Operate as a nonprofit in good standing in Vermont; and
- Have a minimum of five years of experience operating or delivering services to or within out-of-school time programs in Vermont.

All eligible prescreened organizations will remain on the list for three years from the date posted on the AOE website.
