

1 TO THE HOUSE OF REPRESENTATIVES:

2 The Committee on Energy and Technology to which was referred Joint
3 House Resolution J.R.H. 17, opposing the U.S. Environmental Protection
4 Agency’s proposed rollback of federal motor vehicle emission standards,
5 respectfully reports that it has considered the same and recommends that the
6 resolution be amended as follows:

7 First: In the first Whereas clause, by striking out the words “Fleet
8 Efficiency” and inserting in lieu thereof “Fuel Economy” and following the
9 words “California vehicle” by striking out the word “emission” and inserting in
10 lieu thereof “emissions” and following the words “tons of” by striking out
11 “CO2” and inserting in lieu thereof “CO₂”

12 Second: By striking out the final Whereas clause, pertaining to the best-
13 selling passenger car, and inserting in lieu thereof the following:

14 Whereas, the best-selling passenger car in America — while more fuel
15 efficient than its earlier models— earned the National Highway Traffic Safety
16 Administration’s highest-possible , 5-star rating in every safety category and
17 earned a 2017 Top Safety Pick Plus designation from the Insurance Institute
18 for Highway Safety, now therefore be it
