

(f) This subsection concerns an application for a permit amendment to change the conditions of an existing permit or permit amendment in order to authorize the construction of a priority housing project described in subdivision 6081(p)(2) of this title.

(1) The District Commission may authorize a district coordinator to issue such an amendment, without notice and a hearing, if the applicant demonstrates that all parties to the permit or permit amendment or their successors in interest have consented to the proposed changes to conditions relative to the criteria for which the party retained party status.

(2) If the applicant is not able to obtain the consent of a party or parties or their successors in interest with respect to one or more of the conditions proposed to be changed, the applicant shall file a permit application pursuant to this section. However, review by the District Commission shall be limited to whether the changes to conditions not consented to by the party or parties or their successors in interest enable positive findings under subsection 6086(a) and are authorized under subsection 6086(c) of this title.

Sec. H.6. 30 V.S.A. § 55 is added to read:

§ 55. PRIORITY HOUSING PROJECTS; STRETCH CODE

A priority housing project as defined in 10 V.S.A. § 6001 shall meet or exceed the stretch codes established under this subchapter by the Department of Public Service.
