Subject: H.333

Dear General, Housing and Military Affairs Committee Member,

I am here writing to express my support of H.333.

Besides the practical (two gender neutral bathrooms that can be used by anyone is more efficient than two bathrooms, each of which can only be used half of the population) this bill also helps sets a tone of acceptance for transgender, intersex, and gender non-conforming individuals at a time when that acceptance is under attack in many places within our country.

Thank you,
