

Good morning:

After meeting with Rep. Gannon and consulting with VLCT, I have drafted language to replace §2(c) and (d) of the Ferrisburgh charter:

(c) Unless otherwise provided in this charter:

(1) the particular powers in this charter shall not be exclusive or restrict the scope of powers that the Town would otherwise have under State statutes or rules; and

(2) this charter shall not limit powers conferred by general or special enactment of State statutes or rules, including those conferred upon the Selectboard or other town officers.

The formal amendment is currently being proofed by the editors; I will send it out to the committee before lunch this afternoon. If you have any concerns or suggested edits please reach out to me.

Best,
