

Re: OPR

I have been a practicing Pediatrician in Vermont since 1980. I am a specialist in Pediatric Intensive Care and Professor of Pediatrics and Anesthesiology at the University of Vermont Larner College of Medicine.

As a physician, I am writing to support the current OPR bill to remove practice guidelines and the collaborative agreement for newly graduated advanced practice nurses.

I would be willing to provide future testimony if it would be of any value.

B. Heath
