Thank you, Trevor. What you ask is, as usual, quite reasonable, at least in my mind. Thank you for letting me know about the effort at consensus. See you later this morning. Best, Maida

Maida,

It appears that you have a very busy morning on Friday. I will be present with the intent to testify. I wanted to give you the courtesy of advance review of what I intend to present. I have attached the VT Chief's position which I will also send to Denise.

I will also ask if it might be possible to delay any action on the bill for a week or two. Chief Jennifer Morrison, our president, has been making contact with leaders of all the law enforcement associations asking them to come together to discuss this issue. In the past we have been very successful in coming to consensus that has helped to move issues forward. This has been a changing issue with some differing of opinions among the law enforcement associations. It is hoped that by having a discussion with everyone in the same room we could come to consensus.

Thanks for the time.

Trevor
