

Dear Chairperson Townsend and Representatives Serving on the House
Committee on Government Operations,

Please restore the language in S.281 to support the Systemic Racism
Mitigation Oversight and Equity Review Board.

We need to move forward as a state to end systemic racism. To get there we
need attention, data, funding and real effort. The strike through language is
creating an appointed ineffective passive body that seems intended to fail by
design.

Please maintain the independence, funding, and integrity of S.281.

Thank you for your work on behalf of all the people of Vermont.

Ned
