

Dear members of House Government Operations,

I am writing to encourage you to pass S.281 with its original wording. I have read Justice For All's open letter <http://justiceforallvt.org/2018/04/22/open-letter-to-house-government-operations-in-response-to-proposed-amendment-to-s-281/> and entirely agree with their conclusions.

Since moving to Vermont last May, I have been surprised by the culture of white supremacy here. Are we not actively trying to decolonize our community? It's time to dismantle these toxic systems and provide systemic equity for all people who live in Vermont, regardless of identity.

S.281 is just one step of many that the Vermont legislature will take in building equity. Please restore S.281 to its original wording and pass it immediately.

Thank you,  
Perri A Freeman
