

Dear Representatives: I'm very concerned that changes proposed by the House Government Operations Committee to S.281 will significantly detract from the intended purpose of this bill. The current climate in our country makes it clear that we need to finally finish the task of eliminating systemic racism in our government. Consider thoughtful work went in to create the provisions of this bill as submitted.

Please restore the bill as submitted, and vote affirmatively to move this bill out of committee.

Susan Schoenfeld  
South Burlington
