- 2 The Committee on Health Care to which was referred Senate Bill No. 224 3 entitled "An act relating to co-payment limits for visits to chiropractors" 4 respectfully reports that it has considered the same and recommends that the 5 House propose to the Senate that the bill be amended by striking out all after 6 the enacting clause and inserting in lieu thereof the following: 7 Sec. 1. 8 V.S.A. § 4088a is amended to read: 8 § 4088a. CHIROPRACTIC SERVICES 9 (a)(1) A health insurance plan shall provide coverage for clinically 10 necessary health care services provided by a chiropractic physician licensed in 11 this State for treatment within the scope of practice described in 26 V.S.A. 12 chapter 10, but limiting adjunctive therapies to physiotherapy modalities and 13 rehabilitative exercises. A health insurance plan does not have to provide 14 coverage for the treatment of any visceral condition arising from problems or 15 dysfunctions of the abdominal or thoracic organs. 16 (2) A health insurer may require that the chiropractic services be 17 provided by a licensed chiropractic physician under contract with the insurer or
 - (3) Health care services provided by chiropractic physicians may be subject to reasonable deductibles, co-payment and co-insurance amounts, fee or benefit limits, practice parameters, and utilization review consistent with

any applicable regulations published by the Department of Financial
Regulation; provided that any such amounts, limits, and review shall not
function to direct treatment in a manner unfairly discriminative against
chiropractic care, and collectively shall be no more restrictive than those
applicable under the same policy to care or services provided by other health
care providers but allowing for the management of the benefit consistent with
variations in practice patterns and treatment modalities among different types
of health care providers.
(4) For silver- and bronze-level qualified health benefit plans and
reflective silver plans offered pursuant to 33 V.S.A. chapter 18, subchapter 1
health care services provided by a chiropractic physician may be subject to a
co-payment requirement as long as the required co-payment amount is not
more than 150 percent of the amount of the co-payment applicable to care and
services provided by a primary care provider under the plan.
(5) Nothing herein contained in this section shall be construed as
impeding or preventing either the provision or coverage of health care services
by licensed chiropractic physicians, within the lawful scope of chiropractic
