

§ 907. AUTOMATED EXTERNAL DEFIBRILLATORS

* * *

(c) Any person who owns or leases an AED shall:

(1) notify the department and the person's regional ambulance service or first responder service of the existence, location, and type of device the person possesses; and

(2) maintain and test the device in accordance with the applicable standards of the manufacturer.

(d)(1) Any person, other than a person defined as a health care provider by subdivision 9432(9) of this title or as emergency medical personnel by 24 V.S.A. § 2651(6) acting in the normal course of his or her duties as a health care provider or as emergency medical personnel, who acts in good faith and who renders emergency care by the use of an AED, acquires an AED, owns a premises on which an AED is located, or provides a training course in the operation of an AED shall not be liable for civil damages for that person's acts or omissions with respect to such use, ownership, or training in the operation of an AED unless those acts or omissions were grossly negligent or willful and wanton. As used in this subdivision (d)(1), "ownership" shall not include maintaining and testing the device in accordance with the applicable standards of the manufacturer as required by subdivision (c)(2) of this section.

(2) This subsection shall not relieve an AED manufacturer, designer, developer, distributor, installer, or ~~supplier~~ seller of any liability under any applicable statute or rule of law.
