7 out all after the enacting clause and inserting in lieu thereof the following:

8 Sec. 1. 23 V.S.A. chapter 10 is added to read:

9 CHAPTER 10. TRANSPORTATION NETWORK COMPANIES

10 § 750. DEFINITIONS; INSURANCE REQUIREMENTS

11 (a) Definitions. As used in this chapter:

12 (1) “Digital network” or “network” means any online-enabled
13 application, software, website, or system offered or used by a transportation
14 network company that enables the prearrangement of rides with transportation
15 network company drivers.

16 (2) “Personal vehicle” means a vehicle that is:

17 (A) used by a driver to provide a prearranged ride;

18 (B) owned, leased, or otherwise authorized for use by the driver; and

19 (C) not a taxicab, limousine, or other for-hire vehicle.

20 (3) “Prearranged ride” or “ride” means the transportation provided by a
21 driver to a transportation network company rider, beginning when a driver

1 accepts the rider’s request for a ride through a digital network controlled by a
2 company; continuing while the driver transports the rider; and ending when the
3 last rider departs from the vehicle. The term does not include:

4 (A) shared-expense carpool or vanpool arrangements;

5 (B) use of a taxicab, limousine, or other for-hire vehicle;

6 (C) use of a public or private regional transportation company that
7 operates along a fixed route; or

8 (D) a ride furnished through a broker using a publicly funded
9 network to connect riders to drivers through the Elders and Persons with
10 Disabilities Program, Medicaid Non-Emergency Medical Transportation
11 Program, or other similar governmental transportation program.

12 (4) “Transportation network company” or “company” means a person
13 that uses a digital network to connect riders to drivers who provide prearranged
14 rides.

15 (5) “Transportation network company driver” or “driver” means an
16 individual who:

17 (A) receives connections to potential riders and related services from
18 a transportation network company in exchange for payment of a fee to the
19 company; and

1 (B) uses a personal vehicle to offer or provide a prearranged ride to
2 riders upon connection through a digital network controlled by a transportation
3 network company in exchange for compensation or payment of a fee.

4 (6) “Transportation network company rider” or “rider” means an
5 individual who uses a company’s digital network to connect with a driver who
6 provides rides in his or her personal vehicle between points chosen by the
7 rider.

8 (b) Company’s financial responsibility.

9 (1) Beginning on July 1, 2018, a driver, or company on the driver’s
10 behalf, shall maintain primary automobile insurance that recognizes that the
11 driver is a company driver or otherwise uses a vehicle to transport passengers
12 for compensation and covers the driver while the driver is logged on to the
13 company’s digital network or while the driver is engaged in a prearranged ride.

14 (2)(A) The following automobile insurance requirements shall apply
15 while a participating driver is logged on to the transportation network
16 company’s digital network and is available to receive transportation requests
17 but is not engaged in a prearranged ride:

18 (i) primary automobile liability insurance in the amount of at least
19 \$50,000.00 for death and bodily injury per person, \$100,000.00 for death and
20 bodily injury per incident, and \$25,000.00 for property damage; and

1 (ii) any other State-mandated coverage under section 941 of this
2 title.

3 (B) The coverage requirements of this subdivision (2) may be
4 satisfied by any of the following:

5 (i) automobile insurance maintained by the driver;

6 (ii) automobile insurance maintained by the company; or

7 (iii) any combination of subdivisions (i) and (ii) of this
8 subdivision (2)(B).

9 (3)(A) The following automobile insurance requirements shall apply
10 while a driver is engaged in a prearranged ride:

11 (i) primary automobile liability insurance that provides at least
12 \$1,000,000.00 for death, bodily injury, and property damage;

13 (ii) uninsured and underinsured motorist coverage that provides at
14 least \$1,000,000.00 for death, bodily injury, and property damage; and

15 (iii) \$10,000.00 in medical payments coverage (Med Pay).

16 (B) The coverage requirements of this subdivision (3) may be
17 satisfied by any of the following:

18 (i) automobile insurance maintained by the driver;

19 (ii) automobile insurance maintained by the company; or

20 (iii) any combination of subdivisions (i) and (ii) of this
21 subdivision (3)(B).

1 (4) If insurance maintained by a driver under subdivision (2) or (3) of
2 this subsection has lapsed or does not provide the required coverage, insurance
3 maintained by the company shall provide such coverage beginning with the
4 first dollar of a claim and shall have the duty to defend such claim.

5 (5) Coverage under an automobile insurance policy maintained by the
6 company shall not be dependent on a personal automobile insurer first denying
7 a claim nor shall a personal automobile insurance policy be required to first
8 deny a claim.

9 (6) Insurance required by this subsection may be placed with an insurer
10 licensed under chapter 101 (insurance companies generally) or 138 (surplus
11 lines insurance) of this title.

12 (7) Insurance satisfying the requirements of this subsection shall be
13 deemed to satisfy the financial responsibility requirement for a motor vehicle
14 under section 800 of this title.

15 (8) A driver shall carry proof of coverage satisfying this section at all
16 times during use of a vehicle in connection with a company's digital network.
17 In the event of an accident **or traffic violation**, a driver shall provide this
18 insurance coverage information to the directly interested parties, automobile
19 insurers, and law enforcement, upon request. Upon such request, a driver shall
20 also disclose whether he or she was logged on to the network or was on a
21 prearranged ride at the time of an accident **or traffic violation**.

1 (9) A person who fails to maintain primary automobile insurance as
2 required in subdivisions (2) and (3) of this subsection (b) shall be assessed a
3 civil penalty consistent with subsection 800(b) of this title, and such violation
4 shall be a traffic violation within the meaning of chapter 24 of this title. A
5 person who fails to carry proof of insurance as required under subdivision (8)
6 of this subsection (b) shall be subject to a civil penalty consistent with
7 subsection 800(d) of this title. Notwithstanding any provision of law to the
8 contrary, a person who operates a vehicle without financial responsibility as
9 required by this subsection (b) is subject to administrative action as set forth in
10 chapter 11 of this title.

11 (c) Disclosures. A transportation network company shall disclose in
12 writing to its drivers the following before they are allowed to accept a request
13 for a prearranged ride on the company’s digital network:

14 (1) the insurance coverage, including the types of coverage and the
15 limits for each coverage, that the company provides while the driver uses a
16 personal vehicle in connection with the company’s network; and

17 (2) that the driver’s own automobile insurance policy, depending on its
18 terms, might not provide any coverage while the driver is logged on to the
19 company’s network and available to receive transportation requests or engaged
20 in a prearranged ride.

1 (d)(1) Automobile insurers. Notwithstanding any other provision of law to
2 the contrary, insurers that write automobile insurance in Vermont may exclude
3 any and all coverage afforded under a policy issued to an owner or operator of
4 a personal vehicle for any loss or injury that occurs while a driver is logged on
5 to a transportation network company’s digital network or while a driver
6 provides a prearranged ride. This right to exclude all coverage may apply to
7 any coverage in an automobile insurance policy, including:

8 (A) liability coverage for bodily injury and property damage;

9 (B) personal injury protection coverage;

10 (C) uninsured and underinsured motorist coverage;

11 (D) medical payments coverage;

12 (E) comprehensive physical damage coverage; and

13 (F) collision physical damage coverage.

14 (2) Nothing in this subsection implies or requires that a personal
15 automobile insurance policy provide coverage while the driver is logged on to
16 a company’s digital network, while the driver is engaged in a prearranged ride,
17 or while the driver otherwise uses a vehicle to transport passengers for
18 compensation.

19 (3) Nothing in this section shall be construed to require an insurer to use
20 any particular policy language or reference to this section in order to exclude
21 any and all coverage for any loss or injury that occurs while a driver is logged

1 on to a company's digital network or while a driver provides a prearranged
2 ride.

3 (4) Nothing in this subsection is deemed to preclude an insurer from
4 providing primary or excess coverage for the driver's vehicle, if it chooses to
5 do so by contract or endorsement.

6 (5) Insurers that exclude the coverage described under subsection (b) of
7 this section shall have no duty to defend or indemnify any claim expressly
8 excluded thereunder.

9 (6) Nothing in this section is deemed to invalidate or limit an exclusion
10 contained in a policy, including any policy in use or approved for use in
11 Vermont prior to the enactment of this section, that excludes coverage for
12 vehicles used to carry persons or property for a charge or available for hire by
13 the public.

14 (7) An insurer that defends or indemnifies a claim against a driver that is
15 excluded under the terms of its policy shall have a right of contribution against
16 other insurers that provide automobile insurance to the same driver in
17 satisfaction of the coverage requirements of subsection (b) of this section at the
18 time of loss.

19 (8) In a claims coverage investigation, transportation network
20 companies shall immediately provide, upon request by directly involved
21 parties or any insurer of the transportation network company driver, if

1 applicable, the precise times that a transportation network company driver
2 logged on and off the transportation network company’s digital network in the
3 12-hour period immediately preceding and in the 12-hour period immediately
4 following the accident. Insurers providing coverage under subsection (b) of
5 this section shall disclose, upon request by any other insurer involved in the
6 particular claim, the applicable charges, exclusions, and limits provided under
7 any automobile insurance maintained in order to satisfy the requirements of
8 subsection (b) of this section.

9 § 751. DRIVER REQUIREMENTS; BACKGROUND CHECKS

10 (a) A company shall not allow an individual to act as a driver on the
11 company’s network without requiring the individual to submit to the company
12 an application that includes:

13 (1) the individual’s name, address, and date of birth;

14 (2) a copy of the individual’s driver’s license;

15 (3) a copy of the registration for the personal vehicle that the individual
16 will use to provide prearranged rides; and

17 (4) proof of financial responsibility for the personal vehicle described in
18 subdivision (3) of this subsection of a type and in the amounts required by the
19 company.

20 (b)(1) A company shall not allow an individual to act as a driver on the
21 company’s network unless, with respect to the driver, the company:

1 (A) contracts with an accredited entity to conduct a local, State, and
2 national background check of the individual, including the multistate-
3 multijurisdiction criminal records locator or other similar national database,
4 the U.S. Department of Justice national sex offender public website, and the
5 Vermont Sex Offender Registry; and

6 (B) confirms that the individual is at least 18 years of age and, if the
7 individual is 18 years of age, he or she has at least one year of driving
8 experience or has been issued a commercial driver license.

9 (2) The background checks required by this subsection shall be
10 conducted annually by the company.

11 (3) With respect to a person who is a driver as of the effective date of
12 this act, the requirements of subdivision (1)(A) of this subsection (b) shall be
13 deemed satisfied if the background check is completed within 30 days of the
14 effective date of this act or if a background check that satisfies the
15 requirements of subdivision (1)(A) of this subsection (b) was conducted by the
16 company on or after July 1, 2017. This subdivision shall not be construed to
17 exempt drivers from undergoing an annual background check as required
18 under subdivision (2) of this subsection (b).

19 (c) A company shall not allow an individual to act as a driver on the
20 company's network if the company knows or should know that the individual:

21 (1) has been convicted within the last seven years of:

1 (A) a listed crime as defined in 13 V.S.A. § 5301(7);

2 (B) a felony level violation of 18 V.S.A. chapter 84 for selling,
3 dispensing, or trafficking a regulated drug;

4 (C) a violation of section 1201 (operating a vehicle while under the
5 influence of alcohol or drugs) of this title;

6 (D) a felony violation of 13 V.S.A. chapter 47 (frauds) or chapter 57
7 (larceny and embezzlement); or

8 (E) a comparable offense in another jurisdiction;

9 (2) has been convicted within the last three years of:

10 (A) more than three moving violations as defined in subdivision
11 4(44) of this title;

12 (B) grossly negligent operation of a motor vehicle in violation of
13 section 1091 of this title or operating with a suspended or revoked license in
14 violation of section 674 of this title; or

15 (C) a comparable offense in another jurisdiction;

16 (3) has been subject to a civil suspension within the last seven years
17 under section 1205 (operating a vehicle while under the influence of alcohol or
18 drugs) of this title; or

19 (4) is required to register as a sex offender in any jurisdiction or has
20 been convicted of homicide, manslaughter, kidnapping, or an offense
21 involving sexual exploitation of children in violation of 13 V.S.A. chapter 64.

1 (c) A company shall establish and enforce a zero tolerance policy for drug
2 and alcohol use by drivers during any period when a driver is engaged in, or is
3 logged into the company’s network but is not engaged in, a prearranged ride.
4 The policy shall include provisions for investigations of alleged policy
5 violations and the suspension of drivers under investigation.

6 (d) A company shall require that a personal vehicle used to provide
7 prearranged rides complies with all applicable laws and regulations concerning
8 vehicle equipment.

9 § 752. RECORDS; INSPECTION

10 (a) The Commissioner of Motor Vehicles or designee, not more frequently
11 than once per year, may visually inspect a random sample of at least 25
12 drivers’ records per company demonstrating compliance with the requirements
13 of this chapter. A company shall have an ongoing duty to make such records
14 available for inspection under this section during reasonable business hours
15 and in a manner approved by the Commissioner.

16 (b) The Commissioner or designee may visually inspect additional random
17 samples of drivers’ records if there is a reasonable basis to suspect that a
18 company is not in compliance with this chapter.

19 (c) If the Commissioner receives notice of a complaint against a company
20 or a driver, the company shall cooperate in investigating the complaint,
21 including producing any necessary records.

1 (d) Any records, data, or information disclosed to the Commissioner by a
2 company, including the names, addresses, and any other personally identifiable
3 information regarding drivers, are exempt from inspection and copying under
4 the Public Records Act and shall not be released.

5 § 753. ENFORCEMENT; ADMINISTRATIVE PENALTIES

6 (a) The Commissioner of Motor Vehicles may impose an administrative
7 penalty if a company violates a provision of this chapter.

8 (b) A violation may be subject to an administrative penalty of not more
9 than \$500.00. Each violation is a separate and distinct offense and, in the case
10 of a continuing violation, each day's continuance may be deemed a separate
11 and distinct offense.

12 (c) The company shall be given notice and opportunity for a hearing for
13 alleged violations under this section. Service of the notice shall be sufficient if
14 sent by first class mail to the applicable address on file with the Secretary of
15 State. The notice shall include the following:

- 16 (1) a factual description of the alleged violation;
17 (2) a reference to the particular statute allegedly violated;
18 (3) the amount of the proposed administrative penalty; and
19 (4) a warning that the company will be deemed to have waived its right
20 to a hearing and that the penalty will be imposed if no hearing is requested
21 within 15 days from the date of the notice.

1 (d) A company that receives notice under subsection (c) of this section
2 shall be deemed to have waived the right to a hearing unless, within 15 days
3 from the date of the notice, the company requests a hearing in writing. If the
4 company waives the right to a hearing, the Commissioner shall issue a final
5 order finding the company in default and imposing the penalty.

6 (e) The provisions of sections 105, 106, and 107 of this title shall apply to
7 hearings conducted under this section.

8 (f) The Commissioner may collect an unpaid administrative penalty by
9 filing a civil action in Superior Court or through any other means available to
10 State agencies.

11 (g) The remedies authorized by this section shall be in addition to any other
12 civil or criminal remedies provided by law for violation of this chapter.

13 § 754. PREEMPTION; SAVINGS CLAUSE

14 (a) A municipality shall not adopt an ordinance, resolution, or bylaw
15 regulating transportation network companies that is inconsistent with the
16 requirements of this chapter.

17 (b) Subsection (a) of this section shall not apply to a municipal ordinance,
18 resolution, or bylaw regulating transportation network companies adopted by a
19 municipality with a population of more than 35,000 residents based on the
20 2010 census and in effect on July 1, 2017. This subsection shall be repealed on
21 July 1, 2022.

1 Sec. 2. STUDY; STATEWIDE REGULATION OF VEHICLES FOR HIRE

2 (a) The Commissioner of Financial Regulation, in consultation with the
3 Commissioner of Motor Vehicles, the Director of the Office of Professional
4 Regulation, and representatives from other State agencies and departments, as
5 the Commissioner deems necessary, and with input from the Vermont League
6 of Cities and Towns and industry and consumer stakeholders, shall conduct a
7 study of whether and to what extent vehicles for hire, vehicle for hire drivers,
8 and vehicle for hire companies should be regulated by the State. Among other
9 things, the Commissioner shall consider:

10 (1) issues related to public safety, necessity, and convenience;

11 (2) regulatory models adopted in other state and local jurisdictions,
12 including in both urban and rural municipalities in Vermont, applicable to
13 transportation network companies and other vehicle for hire companies;

14 (3) matters related to passenger safety, including driver background
15 checks, periodic vehicle safety inspections, and signage;

16 (4) matters related to insurance coverage, including minimum liability
17 coverage, disclosure requirements, and claims procedures, generally, and with
18 consideration of other, similarly-situated jurisdictions, other commercial
19 automobile policy requirements, enhanced personal liability coverage for
20 drivers, and the costs and benefits of requiring Med Pay coverage;

1 (5) matters related to fares, including the provision of fare estimates to
2 riders, restrictions on “surge pricing,” and payment methods;

3 (6) matters such as the licensing or permitting of companies and drivers;
4 nondiscrimination street hails; the protection of driver and rider information;
5 taxes or fees and, if applicable, recommended amounts; the employment status
6 of drivers; increased access for people with disabilities;

7 (7) the extent to which all vehicles for hire, vehicle for hire drivers, and
8 vehicle for hire companies should be treated similarly with respect to statewide
9 regulation; and

10 (8) any other matter deemed relevant by the Commissioner and the
11 Director.

12 (b) For purposes of this section, a “vehicle for hire” is a passenger vehicle
13 transporting passengers for compensation of any kind. Vehicles for hire
14 include taxicabs, transportation network company vehicles, limousines, jitneys,
15 car services, contract vehicles, shuttle vans, and other such vehicles
16 transporting passengers for compensation of any kind except:

17 (1) Those which an employer uses to transport employees.

18 (2) Those which are used primarily to transport elderly, special needs
19 and handicapped persons for whom special transportation programs are
20 designed and funded by State, federal, or local authority otherwise exempted
21 pursuant to 23 V.S.A. § 4(15).

1 (3) Buses, trolleys, trains, or similar mass transit vehicles.

2 (4) Courtesy vehicles for which the passenger pays no direct charge,
3 such as hotel or car dealer shuttle vans.

4 (c) On or before December 15, 2018, the Commissioner shall submit a
5 progress report outlining his or her findings and recommendations to the
6 Chairs of the Senate Committees on Transportation, on Judiciary, and on
7 Finance and the House Committees on Transportation, on Judiciary, and on
8 Commerce and Economic Development.

9 (d) On or before January 15, 2019, the Commissioner shall submit a final
10 report of his or her findings and recommendations to the Senate Committees
11 on Transportation, on Judiciary, and on Finance and the House Committees on
12 Transportation, on Judiciary, and on Commerce and Economic Development.

13 **Sec. 3. TNC INSURANCE REQUIREMENTS; STUDY**

14 (a) The Commissioner of Financial Regulation shall conduct a study
15 regarding the statutory minimum levels of financial responsibility applicable to
16 transportation network companies (TNC) in Vermont, in particular, the
17 minimums required under 23 V.S.A. § 750(b)(2)(A)(i) (the so-called “gap
18 period”). The purpose of the study is to ensure these requirements correlate
19 with potential liability exposure so that persons are made whole in the event of
20 an automobile accident involving a transportation network company driver.
