

H.167

An act relating to alternative approaches to addressing low-level illicit drug use

The Senate proposes to the House to amend the bill by striking out all after the enacting clause and inserting in lieu thereof the following:

* * * Misdemeanor Possession of Drugs Study * * *

Sec. 1. MISDEMEANOR POSSESSION OF DRUGS; PRETRIAL
SERVICES

(a) It is the intent of the General Assembly to encourage persons cited or arrested for a misdemeanor drug possession charge to engage with pretrial services, and, if appropriate, enter treatment, and that, in turn, a person who complies with such conditions will be eligible for dismissal of the charge.

(b) The Attorney General, the Defender General, and the Executive Director of the Department of State's Attorneys and Sheriffs shall work collaboratively to develop a specific legislative proposal to accomplish this intent with an implementation date of July 1, 2018 and report to the Senate and House Committees on Judiciary and on Appropriations, the Senate Committee on Health and Welfare, and the House Committee on Human Services on or before November 1, 2017.

* * * Findings * * *

Sec. 2. LEGISLATIVE FINDINGS AND INTENT

The General Assembly finds the following:

(1) According to a 2014 study commissioned by the administration and conducted by the RAND Corporation, marijuana is commonly used in Vermont with an estimated 80,000 residents having used marijuana in the last month.

(2) For over 75 years, Vermont has debated the issue of marijuana regulation and amended its marijuana laws numerous times in an effort to protect public health and safety. Criminal penalties for possession rose in the 1940s and 50s to include harsh mandatory minimums, dropped in the 1960s and 70s, rose again in the 1980s and 90s, and dropped again in the 2000s. A study published in the American Journal of Public Health found that no evidence supports the claim that criminalization reduces marijuana use.

(3) Vermont seeks to take a new comprehensive approach to marijuana use and abuse that incorporates prevention, education, regulation, treatment, and law enforcement which results in a net reduction in public harm and an overall improvement in public safety. Responsible use of marijuana by adults 21 years of age or older should be treated the same as responsible use of alcohol, the abuse of either treated as a public health matter, and irresponsible use of either that causes harm to others sanctioned with penalties.

(4) Policymakers recognize legitimate federal concerns about marijuana reform and seek through this legislation to provide better control of access and distribution of marijuana in a manner that prevents:

(A) distribution of marijuana to persons under 21 years of age;

(B) revenue from the sale of marijuana going to criminal enterprises;

(C) diversion of marijuana to states that do not permit possession of marijuana;

(D) State-authorized marijuana activity from being used as a cover or pretext for the trafficking of other illegal drugs or activity;

(E) violence and the use of firearms in the cultivation and distribution of marijuana;

(F) drugged driving and the exacerbation of any other adverse public health consequences of marijuana use;

(G) growing of marijuana on public lands and the attendant public safety and environmental dangers posed by marijuana production on public lands; and

(H) possession or use of marijuana on federal property.

(5) Revenue generated by this act shall be used to provide for the implementation, administration, and enforcement of this chapter and to provide additional funding for State efforts on the prevention of substance abuse, treatment of substance abuse, and criminal justice efforts to combat the illegal

drug trade and impaired driving. As used in this subdivision, “criminal justice efforts” shall include efforts by both State and local criminal justice agencies, including law enforcement, prosecutors, public defenders, and the courts.

* * * Prevention * * *

Sec. 3. MARIJUANA YOUTH EDUCATION AND PREVENTION

(a)(1) Relying on lessons learned from tobacco and alcohol prevention efforts, the Department of Health, in collaboration with the Agency of Agriculture, Food, and Markets, the Agency of Education, and the Governor’s Highway Safety Program, shall develop and administer an education and prevention program focused on use of marijuana by youth under 25 years of age. In so doing, the Department shall consider at least the following:

(A) Community- and school-based youth and family-focused prevention initiatives that strive to:

(i) expand the number of school-based grants for substance abuse services to enable each Supervisory Union to develop and implement a plan for comprehensive substance abuse prevention education in a flexible manner that ensures the needs of individual communities are addressed;

(ii) improve the Screening, Brief Intervention and Referral to Treatment (SBIRT) practice model for professionals serving youth in schools and other settings; and

(iii) expand family education programs.

(B) An informational and counter-marketing campaign using a public website, printed materials, mass and social media, and advertisements for the purpose of preventing underage marijuana use.

(C) Education for parents and health care providers to encourage screening for substance use disorders and other related risks.

(D) Expansion of the use of SBIRT among the State's pediatric practices and school-based health centers.

(E) Strategies specific to youth who have been identified by the Youth Risk Behavior Survey as having an increased risk of substance abuse.

(2) On or before March 15, 2018, the Department shall adopt rules to implement the education and prevention program described in subsection (a) of this section and implement the program on or before September 15, 2018.

(b) The Department shall include questions in its biannual Youth Risk Behavior Survey to monitor the use of marijuana by youth in Vermont and to understand the source of marijuana used by this population.

(c) Any data collected by the Department on the use of marijuana by youth shall be maintained and organized in a manner that enables the pursuit of future longitudinal studies.

* * * Legal Possession; Civil and Criminal Penalties * * *

Sec. 4. LEGISLATIVE INTENT; CIVIL AND CRIMINAL PENALTIES

It is the intent of the General Assembly to eliminate all civil penalties for possession of one ounce or less of marijuana and a small number of marijuana plants for a person who is 21 years of age or older while retaining the current criminal penalties for possession of larger amounts of marijuana and criminal penalties for unauthorized dispensing or sale of marijuana. This act also retains the current civil and criminal penalties for possession of marijuana by a person under 21 years of age, which are the same as possession of alcohol by a person under 21 years of age.

§ 7902. LIABILITY FOR TAX AND PENALTIES

(a) Any tax collected under this chapter shall be deemed to be held by the retailer in trust for the State of Vermont. Any tax collected under this chapter shall be accounted for separately so as to clearly indicate the amount of tax collected, and that the tax receipts are the property of the State of Vermont.

(b) Every retailer required to collect the tax imposed by this chapter shall be personally and individually liable for the amount of tax together with such interest and penalty as has accrued under this title. If the retailer is a corporation or other entity, the personal liability shall extend to any officer or agent of the corporation or entity who as an officer or agent of the same has the

authority to collect the tax and transmit it to the Commissioner of Taxes as required in this chapter.

(c) A retailer shall have the same rights in collecting the tax from his or her purchaser or regarding nonpayment of the tax by the purchaser as if the tax were a part of the purchase price of the marijuana and payable at the same time; provided, however, if the retailer required to collect the tax has failed to remit any portion of the tax to the Commissioner of Taxes, the Commissioner of Taxes shall be notified of any action or proceeding brought by the retailer to collect the tax and shall have the right to intervene in such action or proceeding.

(d) A retailer required to collect the tax may also refund or credit to the purchaser any tax erroneously, illegally, or unconstitutionally collected. No cause of action that may exist under State law shall accrue against the retailer for the tax collected unless the purchaser has provided written notice to a retailer, and the retailer has had 60 days to respond.

(e) To the extent not inconsistent with this chapter, the provisions for the assessment, collection, enforcement, and appeals of the sales and use taxes in chapter 233 of this title shall apply to the tax imposed by this chapter.

§ 7903. BUNDLED TRANSACTIONS

(a) Except as provided in subsection (b) of this section, a retail sale of a bundled transaction that includes marijuana is subject to the tax imposed by this chapter on the entire selling price of the bundled transaction.

(b) If the selling price is attributable to products that are taxable and products that are not taxable under this chapter, the portion of the price attributable to the nontaxable products are subject to the tax imposed by this chapter unless the retailer can identify by reasonable and verifiable standards the portion that is not subject to tax from its books and records that are kept in the regular course of business.

(c) As used in this section, “bundled transaction” means:

(1) the retail sale of two or more products where the products are otherwise distinct and identifiable, are sold for one nonitemized price, and at least one of the products includes marijuana subject to the tax under this chapter; or

(2) marijuana provided free of charge with the required purchase of another product.

§ 7904. RETURNS

(a) Any retailer required to collect the tax imposed by this chapter shall, on or before the 15th day of every month, return to the Department of Taxes, under oath of a person with legal authority to bind the retailer, a statement

containing its name and place of business, the amount of marijuana sales subject to the excise tax imposed by this subchapter sold in the preceding month, and any other information required by the Department of Taxes, along with the tax due.

(b) Every retailer shall maintain, for not less than three years, accurate records showing all transactions subject to tax liability under this chapter. These records are subject to inspection by the Department of Taxes at all reasonable times during normal business hours.

§ 7905. LICENSES

(a) Every retailer required to collect the tax imposed by this chapter shall apply for a marijuana excise tax license in the manner prescribed by the Commissioner of Taxes. The Commissioner shall issue, without charge, to each registrant a license empowering him or her to collect the marijuana excise tax. Each license shall state the place of business to which it is applicable. The license shall be prominently displayed in the place of business of the registrant. The licenses shall be nonassignable and nontransferable and shall be surrendered to the Commissioner immediately upon the registrant's ceasing to do business at the place named. A license to collect marijuana excise tax shall be in addition to the licenses required by sections 9271 (meals and rooms tax) and 9707 (sales and use tax) of this title and any license required by the Agency of Agriculture, Food, and Markets.

(b) The Agency of Agriculture, Food, and Markets may require the Commissioner of Taxes to suspend or revoke the tax license of any person for failure to comply with any provision of this chapter.

Sec. 21. VERMONT GOVERNOR'S HIGHWAY SAFETY PROGRAM

(a) Impaired driving, operating a motor vehicle while under the influence of alcohol or drugs, is a significant concern for the General Assembly. While Vermont has made a meaningful effort to educate the public about the dangers of drinking alcohol and driving, the public seems to be less aware of the inherent risks of driving while under the influence of drugs, whether it is marijuana, a validly prescribed medication, or other drugs. It is the intent of the General Assembly that the State reframe the issue of drunk driving as impaired driving in an effort to comprehensively address the risks of such behavior through prevention, education, and enforcement.

(b)(1) The Agency of Transportation, through its Vermont Governor's Highway Safety Program, shall expand its public education and prevention

campaign on drunk driving to impaired driving, which shall include drugged driving.

(2) The Agency shall report to the Senate and House Committees on Judiciary and on Transportation on or before January 15, 2018 regarding implementation of this section.

Sec. 22. REPORTING IMPAIRED DRIVING DATA

The Commissioner of Public Safety and the Secretary of Transportation, in collaboration, shall report to the Senate and House Committees on Judiciary and on Transportation on or before January 15 each year regarding the following issues concerning impaired driving:

(1) the previous year's data in Vermont,

(2) the latest information regarding best practices on prevention and enforcement, and

(3) their recommendations for legislative action.

Sec. 23. TRAINING FOR LAW ENFORCEMENT; IMPAIRED DRIVING

(a) It is imperative that Vermont provide adequate training to both local and State law enforcement officers regarding the detection of impaired driving. Advanced Roadside Impaired Driving Enforcement (ARIDE) training provides instruction to officers at a level above Basic Standardized Sobriety Testing and proves helpful to an officer in determining when a Drug Recognition Expert (DRE) should be called. Vermont should endeavor to train as many law

enforcement officers as possible in ARIDE. DREs receive a more advanced training in the detection of drugged driving and should be an available statewide resource for officers in the field.

(b) The Secretary of Transportation and the Commissioner of Public Safety shall work collaboratively to ensure that funding is available, either through the Governor's Highway Safety Program's administration of National Highway Traffic Safety Administration funds or other State funding sources, for training the number of officers necessary to provide sufficient statewide coverage for the enforcement impaired driving.
