### Notes

*Several of the above states have varying price structures for criminal history requests, depending on the nature of the requesting entity or the specific type of document returned. For purposes of the chart above, products most similar to the Vermont Criminal Conviction Record Online Service (VCCRIS) are listed (i.e. state records only, online searches where available, and non-notarized responses).*

*Prices were gathered from publically available documentation during February 2017.*
