

Good Morning,

I would like to express my upmost support for the Racial Justice Reform Omnibus Bill (H.492 and S.116). As a longtime activist for racial justice, I see this bill as a clear way for Vermont to enforce the laws that provide for equal protection under the law for all members of our community. The rate of disproportionate arrests of people of color in this state is astounding. We must take action now. Thank you for hearing my voice.

Sincerely,
Alexa Gabriel
