

To all members of the House Judiciary Committee,

Please do the right thing and vote yes on Vermont House Bill H492 to establish a Racial Justice Oversight Committee.

Let's make Vermont the nation's leader in addressing racial disparities in the criminal justice system across the state.

TOGETHER WE CAN DO THIS!

PLEASE PASS H492.

We, the citizens and officials of Vermont, have a profound opportunity right now to create real justice in Vermont, and at the same time, create a model for the nation.

With respect,

Carolyn Bardos
