

2017 LEGISLATIVE AGENDA

Sexual Violence: Ensure that the rights of sexual violence victims are supported by legislation that meets their needs and responds to the choices they make when pursuing justice and healing.

- *Sexual Assault Misdemeanor Addition*
- *Sexual Assault Survivors Bill of Rights*
- *Sexual Assault Statute of Limitations Expansion*

Economic Supports: Ensure that victims in Vermont are able to meet their basic needs and that all victims have access to assistance which supports their health and safety.

- *Affordable Housing Through Occupancy Fee Bill*
- *Paid Family and Medical Leave*
- *Raise the Wage*

Firearms: Reduce the many safety risks associated with armed abusers by ensuring Vermont State laws empower law enforcement and judicial systems to protect survivors and communities from perpetrators with firearms.

- *Weapon removal at the scene of domestic violence incident*
- *Universal Background Checks*
- *Firearms storage review and improvement planning*
