

Proposed language for H.808:

The Secretary of the Agency of Natural Resources or designee shall, by January 15, 2020, provide a report to the House Natural Resources and Fish and Wildlife Committee and to the House Transportation Committee after engaging stakeholders on how to improve All-Terrain Vehicle access and use in Vermont, including addressing trail development and maintenance standards, enforcement and restoration of private and public land damaged by illegal ATV use including:

- a. The source and amount of funds related to ATVs including;
 - i. Registration of ATVs
 - ii. Trail Access Decals
 - iii. Other funds

- b. The use of those funds for;
 - i. Trail development and maintenance
 - ii. Enforcement
 - iii. Restoration of land damaged by illegal ATV use

- c. Recommendations for improving ATV statutes including;
 - i. Improving access for ATV riders.
 - ii. Understanding the economic impact of ATV use.
 - iii. Improving ATV enforcement.
 - iv. Improving restoration of private and public land damaged by illegal ATV use.
