1. Require school districts to have a 2/3rd vote on school budgets that exceed 2% of the previous year's budget.
2. Establish a spending threshold for districts, suggest 1%, that if reached, or have budget' approved that are lower than the threshold, there is a reward 3/4% of total budget that goes to the school district, to be used on early childhood education, scholarships to state colleges or university, etc.
3. Lower excess spending threshold to Governor's recommendation (I think 112%).
4. Move payment for the teacher's pension (7.9 million) to the school districts.
5. Statewide healthcare contract.
6. Fact finder reform.
