Subject: CSG Recommendations and Responses

We presented the Justice Center's Council for State Governments (CSG) October 26th, 2017 report outlining recommendations for implementation of Act 153 at this Committee's last meeting. Please see the attached memo from the Children and Family Council on Prevention Programs, regarding their responses to this report. The Children and Family Council on Prevention Programs is a 21-member board appointed by the Governor in compliance with the Federal Juvenile Justice Delinquency Prevention Act. This board acts in an advisory capacity on juvenile justice matters.

Tomorrow morning we will be sending you the power point we are presenting to your Committee on the Juvenile Justice Stakeholder Group and DCF responses to the CSG report.
