

9/25/2017

Notes about the data

This study attempts to show charges, the associated bail related to the charge, and length of stay

This study does not count unique people. It is known that people are duplicated across the counts.

This study does not assume that the charge that is counted on any sheet is the primary charge for which any person is detained.

Length of stay is often influenced by a different more serious charge associated with the detained person.

Table: Cash or Bond \$2,500 or under

Charge Description	Count of ChargeDescription	Average of StartBond1	Min of StartBond1	Max of StartBond1	Average of DateDiff	Min of DateD	Max of DateDiff	Percent ChargeDescription
