Becky, Stephanie:

I am attaching a PDF for you to distribute to the Senate Appropriations Committee in advance of Peter Gilbert's presentation about the Vermont Humanities Council at 3:30 pm on Tuesday, February 21. It includes a summary of our 2017 budget, as requested.

Here are links to two videos that Peter may show during the presentation. He'll have the video files on his laptop, but I'm including them here in case the legislators want to review the videos in advance of Peter presentation, or afterwards:

2016 Year in Review (two minutes long): <https://www.youtube.com/watch?v=jGo-6xOV7Zc>

Literacy Programs Slideshow (one minute long): <https://www.youtube.com/watch?v=ICD-EqSutxk>

Please let me know if you have any trouble with the file, or if you need anything else.

Best,
