One Baldwin Street • Montpelier, VT 05633-5701 • (802) 828-2295 • Fax: (802) 828-2483

## *FISCAL NOTE*

Date: March 22, 2017

Prepared by: Sara Teachout

### **S. 135 An Act Relating to Promoting Economic Development**

As passed the Senate Committee on Economic Development, Housing and General Affairs  
*Sections with a state fiscal impact*

#### **Sec. A1 VEGI Approval Criteria, Enhanced Incentives in a Qualifying LMA, Recapture and Confidentiality**

The proposed changes in these sections would not have a fiscal impact, but they help clarify the confidentiality language as it applies to the Joint Fiscal Office.

#### **Sec. C.1 Interim Public Retirement Plan Study Committee is revised**

This is an existing committee with five potential members who may receive per diems, mileage and travel expenses.

#### **Sec. D.1 Increases the Penalties for Worker's Compensation and VOSHA Violations**

The state does not forecast or increase revenue estimates for penalties.

#### **Sec. D.2 Worker's Compensation Administration Fund**

This reduces the percentage from 1.75% to 1.4% the amount of calendar year premiums for worker's compensation insurance paid by businesses to administer the worker's compensation program. The reduced percentage is estimated to raise \$2,744,000 in FY 2018 to administer the program.

#### **Sec. F.1 Minimum Wage Study Committee**

There are six legislative members and this Committee will require the use of consultants to analyze the minimum wage proposals.

#### **Secs. H.1 - 3 FY 2018 Appropriations FY 2018 \$750,000 Total**

\$350,000 from the General Fund to the VT Small Business Development Center.

\$150,000 from the General Fund to OEO for CAAs for Microbusiness Development Programs

\$250,000 to ACCD for marketing plans

#### **Sec. I.1. Aircraft Exemption Repeal Sunset**

This section eliminates the sunset (July 1, 2018) on the current sales and use tax exemption for the purchase of commercial aircraft and the parts, machinery and equipment installed in both commercial and civil aircraft. This will not change the existing estimated cost of under \$100,000 annually.
