**Subject:** Written testimony for S.161

Hello,

I am writing to you to strongly urge you pass the bill, S.161. Using animals to test household cleaners, cosmetics, etc is barbaric and needs to stop NOW. Vermont should lead the way is taking against this horrible practice. There are many other ways to test products without using and abusing helpless animals.

Thank you, in advance, for making the right choice in protecting animals,

Sincerely,

Barbara Mines
