Sec. 2. CHILD CARE FINANCIAL ASSISTANCE PROGRAM; STATE

PLAN

To the extent funds are appropriated, the Commissioner for Children and Families shall amend the Department for Children and Families' federal Child Care and Development Fund State Plan to:

(1) adjust the sliding scale of the Child Care Financial Assistance Program benefit to correspond with each minimum wage increase required pursuant to this act to ensure that the benefit percentage at each new minimum wage level remains the same as the percentage applied under the former minimum wage; and

(2) adjust the market rate used to inform the fee scale in a manner that offsets the estimated increased cost of child care in Vermont resulting from the increase in the minimum wage required pursuant to this act.

Sec. 3. MINIMUM WAGE; ADJUSTMENT FOR INFLATION; REPORT

On or before January 15, 2023, the Legislative Council and the Joint Fiscal Office shall submit a written report to the House Committee on General, Housing, and Military Affairs and the Senate Committee on Economic Development, Housing and General Affairs regarding potential mechanisms for indexing the minimum wage established pursuant to 21 V.S.A. § 384 to inflation after 2024. In particular, the report shall:

(1) identify and examine mechanisms that other jurisdictions use to index their minimum wages to inflation and the potential benefits and disadvantages of each mechanism; and

(2) identify and examine any alternative mechanisms to index the minimum wage to inflation, including alternative measures of inflation, and the potential benefits and disadvantages of each mechanism.

Sec. 4. EFFECTIVE DATE

This act shall take effect on July 1, 2018.
