**Subject:** carbon pricing study funding

Good morning,

I am writing to ask you to share my note with the Appropriations Committee.

I would like to ask the Appropriations Committee to include a fair and full study of carbon pricing in the State's budget. A well crafted pricing plan is extremely effective in reducing carbon pollution. The impacts of climate change are ever more severe - we must enact every means to repair our human excesses.

Respectfully submitted,  
Anne C. Dannenberg
