To Theresa,

I am Energy Coordinator for the Town of St. Johnsbury, VT, and work with another as an action team on projects in the past. As of 13 Feb, I have composed a study in EXCEL which is now under review by VNRC and VPIRG for accuracy and usefulness. The study advises any business owner how they might fare against their VT competition under ESSEX.

Therefore, you cannot find a more enthusiastic supporter for this Plan.

Jim
