Re: Follow Up Information: DAIL SFY 18 Proposed Budget

Thank you for the opportunity to provide testimony regarding DAIL's SFY 18 Proposed Budget. I have attached to this e-mail the summary of the Division of Vocational Rehabilitation FY 18 Proposed Reductions and Impact Statements resulting from the reduction in federal re-allotment funds from the Rehabilitation Services Administration within the Agency of Education.

In addition, the Committee had a couple questions related to Act 248:

1. ***What year was Act 248 passed?*** Act 248 was passed in 1987.
2. ***How many people are on Act 248?*** Currently, there 26 people on Act 248. They make up a subset of individuals served in the Developmental Disabilities Services Public Safety Group.

Please feel free to be in touch if you would like more information or have additional questions regarding DAIL's SFY 18 Proposed Budget.
