Hi Becky,

In response to the question that was raised in our testimony yesterday regarding the Clean Water Fund budget within DEC's base budget:

The total amount of Clean Water Fund in the DEC budget is \$2,090,000. Of that amount, \$522,500 (Vantage account code 507600) is allocated to contractual costs, \$100,000 (Vantage account code 519110) is allocated to laboratory services, and \$1,467,500 is allocated to grants (Vantage account code 550220). Please let us know if you have any further questions or need more information.

Thank you,
