AGENCY OF HUMAN SERVICES
Department of Disabilities, Aging and Independent Living

Act 11 for state fiscal year 2019 requires the Department of Disabilities, Aging and Independent Living (DAIL) to determine the amount of available savings in the Choices for Care program from SFY 2018.

Savings is defined as “the difference remaining at the conclusion of each fiscal year between the amount of funds appropriated for Choices for Care and the sum of expended and obligated funds, less an amount equal to one percent of that fiscal year’s total Choices for care expenditure.” The one percent (1%) is intended to “function as a reserve to avoid implementing a High Needs wait list due to unplanned Choices for Care budget pressures throughout the fiscal year.” The Department is required to calculate available savings and report those savings to the Joint Fiscal Office and the House Committees on Appropriations and on Human Services and to the Senate Committees on Appropriations and on Health and Welfare by September 15 of each year.

As per the requirement in Act 11, we are reporting that in state fiscal year 2018, there are no savings in the Choices for Care program. The final balance in the 2018 Choices for Care program was \$1,958,501.74. This amount is less than the required 1% reserve based on the SFY 18 CFC expenditures which would be calculated at \$1,965,634.97. It is our intention to hold that reserve in case of fiscal need as directed by Act 11, mentioned above. Attached please find the Choices for Care year end summary for SFY 2018.
