H.919

Introduced by Committee on Commerce and Economic Development

Date:

Subject: Commerce and trade; workforce development

Statement of purpose of bill as introduced: This bill proposes to provide a framework for a public engagement process and succeeding steps to modernize and strengthen the State’s workforce development system.

An act relating to workforce development

It is hereby enacted by the General Assembly of the State of Vermont:

Sec. 1. FINDINGS AND INTENT

(a) Findings. The General Assembly finds:

(1) A skilled and productive workforce is critical for the economic vitality of Vermont. However, our State currently faces several key labor market challenges:

(A) Employers throughout our State are facing an extremely serious and ongoing skills gap due to the lack of qualified workers to fill a wide range of jobs across multiple sectors, today and into the future.

(B) Vermont has one of the lowest unemployment rates in the country, and there are not enough workers at all skill levels to fill current job vacancies.

1 (C) Many Vermonters are underemployed and require training to
2 update their skills and find job opportunities that match their interests.

3 (D) Many Vermonters who are unemployed or underemployed face
4 significant barriers to employment and require more support to overcome these
5 barriers.

6 (E) Vermont youth currently access postsecondary learning at the
7 lowest rates in New England and with significant inequities of access that are
8 correlated with family income and background. A strategic focus on
9 addressing equity in postsecondary learning opportunities, in alignment with
10 workforce needs, will ensure Vermont maximizes the potential of every
11 Vermonters to participate in the labor market.

12 (F) Parents, youths, and families are facing a future in which the next
13 generation of workers may not have the same opportunities to prosper as the
14 previous generation.

15 (G) Vermont has a series of fragmented workforce development
16 programs, but not a unified workforce development system. The recently
17 reconstituted State Workforce Development Board is central to creating such a
18 system.

19 (2) A major part of the solution to these challenges lies in Vermont's
20 building an effective and efficient State workforce development system that is
21 a diverse public-private partnership among employers, government, and

1 education and training providers designed to ensure that individuals have the
2 skills businesses need.

3 (b) Intent. In adopting this act, it is the intent of the General Assembly:

4 (1) to commit to a redesign of Vermont's workforce development and
5 training system through a concerted three-year effort led by the Commissioner
6 of Labor in collaboration with key administration partners, the education and
7 training communities, and other stakeholders from business and government.

8 (2) to create a framework for this three-year process that will result in a
9 more coherent, efficient, and effective workforce development system within
10 which:

11 (A) all Vermonters who want to work and all employers who want
12 workers can connect, through education and training, with what they need to
13 thrive; and

14 (B) stakeholders and programs, both inside and outside State
15 government, are optimally connected and aligned.

16 Sec. 2. STATE WORKFORCE DEVELOPMENT; PUBLIC ENGAGEMENT
17 PROCESS; DUTIES

18 (a)(1) The State Workforce Development Board, in cooperation with the
19 Department of Labor and the Agencies of Commerce and Community
20 Development, of Education, of Human Services, of Agriculture, Food and
21 Markets, of Natural Resources, and of Transportation shall conduct a public

1 engagement process consistent with 20 C.F.R. §§ 679.100 and 679.130 and
2 10 V.S.A. § 541a to establish a vision and shared goals for meeting Vermont's
3 21st-century workforce education, training, recruitment, and retention needs.

4 (2) The public engagement process shall be designed to inform
5 workforce-related aspects of other State strategic plans and reports, including
6 the Workforce Innovation and Opportunity Act State Plan, the State Economic
7 Development Marketing Plan, and the Statewide Comprehensive Economic
8 Development Strategy.

9 (3) In evaluating the current workforce service delivery system, the
10 Board shall use a data-driven process and solicit the perspectives of job
11 seekers, incumbent workers, employers, industry representatives, program
12 administrators, and workforce service delivery providers.

13 (4)(A) The Board shall adopt a vision and describe the State's collective
14 goals on or before February 1, 2020.

15 (B) The vision, goals, and any findings or recommendations shall be
16 posted online.

17 (C) The Board shall provide advance notice to the Chair and Vice
18 Chair of the House Committee on Commerce and Economic Development and
19 the Senate Committee on Economic Development, Housing and General
20 Affairs if the recommendations may require legislative action during the 2020
21 legislative session.

1 (5) The vision and goals shall serve as the basis for an action plan to
2 revitalize Vermont's workforce development system.

3 (b) The Board may create a social network map of workforce service
4 delivery providers, employers, workforce program administrators, and industry
5 representatives to:

6 (1) develop baseline data in conformance with the Workforce
7 Innovation and Opportunity Act about how individuals, including new
8 Americans, and organizations, both within and outside State government, are
9 involved with workforce development and training around the State;

10 (2) analyze the relative level of connectivity of people and programs
11 managed inside and outside State government; and

12 (3) identify opportunities to strengthen connectivity to achieve greater
13 program alignment toward and realize the Board's vision for the State's
14 workforce development and training system.

15 (c) The Board shall identify the resources that are necessary to maintain the
16 network map over time and track changes in levels of connectivity and
17 alignment across the stakeholder community.

18 (d) The Board may, in compliance with employment and confidentiality
19 regulations and after reviewing currently available data and resources, collect
20 information from:

1 (1) “front line” service delivery providers to understand how the current
2 system is and is not serving the needs of job seekers and employers;

3 (2) employers and employees to understand the effectiveness of
4 existing workforce programs; and

5 (3) past and present participants of training programs to understand
6 whether the program met their expectations and led to a job in their field of
7 interest or training.

8 (e) The Board may initiate activities to improve stakeholders’
9 understanding concerning:

10 (1) the workforce development system;

11 (2) the Workforce Investment and Opportunity Act (Act);

12 (3) the role of the Board; and

13 (4) how the Act governs workforce development funding and policies
14 implemented by the State.

15 (f) The Board, in cooperation with the Department of Labor and Agencies
16 of Commerce and Community Development, of Education, of Human
17 Services, of Agriculture, Food and Markets, of Natural Resources, and of
18 Transportation shall review methods of engaging employers and evaluate the
19 tools available to employers to facilitate their access to and retention of
20 workers. The Board may recommend strategies for improvement to address:

1 (1) how employer-outreach positions in each of the State-funded field
2 offices might be shared;

3 (2) what type of coordination is needed between the State-level
4 employer-outreach staff and local workforce organizations, including staff of
5 the regional development corporations and regional planning commissions, to
6 better serve employers;

7 (3) whether establishing a One-Stop American Job Center in each region
8 to provide comprehensive customer-driven services for employers and job
9 seekers could better serve businesses, improve responsiveness to the needs of
10 emerging sectors, and increase access to qualified, available workers through
11 direct outreach and recruitment;

12 (4) scaling or expanding pilot projects that link experts who have career
13 and industry knowledge directly with middle schools or high schools, or both,
14 to foster career readiness and exploration; and

15 (5) ways to share data and information collected from employers among
16 parties who implement workforce development programs.

17 (g) The Board shall review how functions performed by local workforce
18 investment boards, career technical education regional advisory boards,
19 regional planning commissions, regional development corporations, and other
20 regional economic development and workforce-related boards could be more

1 equitably executed from region to region and recommend structures that would
2 foster better regional collaboration, alignment, and employer participation.

3 (h) Following the public engagement process outlined in subsection (a) of
4 this section, the Board may make recommendations to align relevant funding
5 sources to promote:

6 (1) employer-driven workforce education and training opportunities;

7 (2) results-based outcomes;

8 (3) innovative and effective initiatives, pilots, or demonstration
9 programs that can be scaled to the rest of the State;

10 (4) access to federal resources that enable more innovative programs
11 and initiatives in Vermont; and

12 (5) equitable access to employment and training opportunities for
13 women and underrepresented populations in Vermont.

14 (i) The Department of Labor, with assistance from the Board, shall
15 facilitate the sharing of information among workforce development and
16 training-delivery organizations so they may stay current with initiatives and
17 plans related to building an effective workforce development system.

18 Sec. 3. STATE WORKFORCE DEVELOPMENT; CAREER PATHWAYS;

19 CAREER TECHNICAL EDUCATION RECOMMENDATIONS

20 (a) As used in this section, “Career Pathways” means a combination of
21 rigorous and high-quality educational, training, and other experiences and

1 services, beginning not later than seventh grade, with multiple entry and exit
2 points that:

8 postsecondary experiences and be successful in any of a full range of
9 secondary or postsecondary education options, including registered
10 apprenticeships;

12 support an individual in achieving the individual's educational and career
13 goals;

15 the same context as workforce preparation activities and training for a specific

18 meet the particular needs of an individual in a manner that accelerates the
19 educational and career advancement of the individual to the extent practicable;

2 recognized equivalent and allow college credit and industry certifications to be
3 earned in high school; and

4 (8) prepare an individual to enter or to advance within a specific
5 occupation or occupational cluster.

6 (b) The Agency of Education, in partnership with the State Workforce
7 Development Board, shall promote policies that support introduction of Career
8 Technical Education (CTE) opportunities of study to middle school students,
9 along with career-readiness and career-awareness activities.

10 (c) The Agency of Education, in partnership with the Board, shall promote
11 collaboration among middle schools and regional CTE centers that may
12 result in:

13 (1) development and delivery of introductory CTE courses or lessons to
14 introduce middle school students to Career Pathways and CTE programs, as
15 appropriate;

16 (2) increasing student exposure to local career opportunities through
17 activities such as business tours, guest lectures, career fairs, and career-
18 awareness days; and

19 (3) increasing student exposure to CTE programs through activities such
20 as tours of regional CTE centers, virtual field trips, and CTE guest visits.

1 (d) The Agency of Education shall approve up to four pilot projects in a
2 variety of CTE settings that model a unified funding structure or a unified
3 governance structure, or both, designed to streamline the delivery of
4 educational experiences to both high school students and CTE students,
5 consistent with the following:

6 (1) a pilot project shall extend not longer than two years;

7 (2) the Agency shall establish guidelines, proposal submission
8 requirements, and a review process to approve pilot projects; and

9 (3) the Agency shall report on the outcomes of the pilot projects to the
10 House and Senate Committees on Education and the House Committee on
11 Commerce and Economic Development on or before January 15, 2020.

12 (e) Based on the results of the pilot projects approved under subsection (d)
13 of this section, the Agency of Education shall recommend flexible and student-
14 centered policies that:

15 (1) support equitable access and opportunity to participate in CTE pre-
16 tech foundation and exploratory programs for students in grades 9 and 10,
17 including building such activities into students' personalized learning plans
18 when appropriate, so that students are exposed to a wide variety of career
19 choices in their areas of interest; and

1 (2) ensure that students in grade 10 have access to courses in CTE
2 programs, including building such access into their personalized learning plans
3 as appropriate.

4 (f) The Agency of Education, in partnership with the Board, shall ensure
5 that CTE centers provide rigorous programs of study to students that are
6 aligned with an approved Career Pathway and in combination with a registered
7 apprenticeship when appropriate.

8 (g) The Agency of Education, in partnership with the Department of Labor
9 and the Agency of Commerce and Community Development, shall implement
10 a process for reviewing Career Pathways that considers:

11 (1) the program's relevance to the needs of State and regional
12 employers;

13 (2) the participation of regional advisory boards or other boards with
14 employers;

15 (3) pathways to postsecondary education and training; and

16 (4) students' ability to gain credentials of value, dual enrollment credits,
17 postsecondary credentials or degrees, and employment.

18 (h) The Agency of Education shall report on its Career Pathways review
19 process, findings, and recommendations to the Board on a regular basis.

20 (i) The Board may identify opportunities to leverage Workforce Innovation
21 and Opportunity Act funds, Carl D. Perkins Act postsecondary funds, Next

1 Generation funds, Vermont Training Program funds, and other relevant
2 funding to develop community-based Career Pathways that respond to local
3 occupational demands.

4 (j) The Agency of Education shall ensure that every high school student has
5 the opportunity to experience meaningful work-based learning when supported
6 by the personalized learning plan, and that high schools work with regional
7 CTE centers to avoid unnecessary duplication of programs of study already
8 provided by the centers.

9 (k) The General Assembly shall create a permanent, classified position
10 within the Agency of Education to perform the functions currently performed
11 by the limited-service Career Pathways Coordinator position.

12 (l) The Agency of Education and the Department of Labor shall support
13 coordination and alignment of Career Pathways programs of study delivered
14 by the regional CTE centers and the State's postsecondary institutions so that
15 education and training opportunities that are available to secondary and adult
16 students lead to a degree or stackable credential of value.

17 (m) The Department of Labor shall be responsible for the oversight and
18 coordination of adult career technical education in the State. The Agency of
19 Education shall provide technical and programmatic assistance, as necessary,
20 to the Department to ensure alignment between secondary and postsecondary

3 PROGRAMS

4 (a) The State Workforce Development Board shall take steps to encourage,
5 promote, and support the creation of registered apprenticeship programs,
6 preapprenticeship programs, paid internships, occupational trainings, and other
7 work-based and on-the-job learning opportunities that lead to industry-
8 recognized certificates and credentials. The Board shall consider ways to meet
9 employers' immediate and long-term employment needs in a variety of ways
10 that can include:

11 (1) expanding the number and diversity of employer-sponsored
12 registered apprenticeships;

13 (2) promoting the development of and access to preapprenticeship
14 programs in high schools and career and technical education centers;

15 (3) engaging Vermont's colleges and universities in delivering the
16 related instructional components of registered apprenticeship programs;

17 (4) expanding the number of internships and returnships available in
18 current and new sectors;

19 (5) developing partnerships and alignment between training programs
20 offered in correctional facilities and those offered in business or community
21 settings; and

1 (6) registered apprenticeship programs that guarantee offers of
2 continued employment or consideration for future employment upon
3 completion of the program.

4 (b) The Board shall create a process for identifying, monitoring, and
5 evaluating occupational trainings and industry-recognized credentials. The
6 Board may consider establishing a process for endorsing programs that offer
7 credentials or certificates, to facilitate targeted investments in programs that
8 meet industry needs.

9 (c) The Board shall create and periodically review publicly available
10 documents that list:

11 (1) current industry-recognized, State-recognized, and federally
12 recognized credentials;

13 (2) the requirements to obtain these credentials;

14 (3) training programs that lead to these credentials; and

15 (4) the cost of training and educational programs required to obtain the
16 credential.

17 (d) The Board shall work with the Office of Professional Regulation to
18 increase recognition of professional skills and credentialing across states, in
19 addition to supporting professional paths that involve more than one industry-
20 recognized, State-recognized, or federally recognized credential and rules
21 adopted by the Office;

1 Sec. 5. STATE WORKFORCE DEVELOPMENT BOARD; GROWING THE
2 SIZE AND QUALITY OF THE WORKFORCE

3 (a) The Department of Labor and the Agencies of Commerce and
4 Community Development, of Education, and of Human Services, in
5 partnership with the State Workforce Development Board, shall take steps to:

6 (1) increase Vermonters' labor force participation by creating
7 multitiered engagement, training, and support activities that help working-age
8 Vermonters who are able to participate or to participate to a greater degree in
9 the workforce; and

10 (2) recruit and relocate new workers and employers to Vermont; and

11 (3) assist businesses in locating and retaining qualified workers.

12 (b) To meet these objectives, the Department of Labor and the Agencies of
13 Commerce and Community Development, of Education, and of Human
14 Services shall:

15 (1) engage regional and statewide stakeholders, including regional CTE
16 centers, regional development corporations, and regional planning
17 commissions, to identify needs and strategies, and define success;

7 participate in the labor force, including unemployment insurance waivers,
8 income tax reductions, exemption of State tax on Social Security, housing and
9 transportation vouchers, tuition and training reimbursements, and waivers for
10 training. The Board shall notify the House Committee on Commerce and
11 Economic Development of any findings or recommendations, as appropriate.

12 Sec. 6. VERMONT TALENT PIPELINE MANAGEMENT PROJECT

13 (a) Findings. The General Assembly finds:

14 (1) The Vermont Talent Pipeline Management Project (VTPM) is an
15 employer-oriented strategy that expands the role of employers as end
16 customers of the education and workforce systems. VTPM seeks to improve
17 the employability of Vermonters and the alignment of employers' needs with
18 education and workforce development and training programs.

19 (2) VTPM is a statewide public and private partnership among the
20 Agency of Commerce and Community Development, Brattleboro
21 Development Credit Corporation, Franklin/Grand Isle Workforce Investment

1 Board, Lake Champlain Regional Chamber of Commerce, and Vermont
2 Business Roundtable. It is informed by resource partners including the
3 Agency of Education, Greater Burlington Industrial Corporation, State
4 Workforce Development Board, Vermont Chamber of Commerce, and
5 Vermont Student Assistance Corporation.

6 (3) Partners will coordinate the network of training providers to deliver
7 industry-recognized, State-recognized, and federally recognized credentials,
8 job training, and workforce education in targeted job areas, sectors, and
9 industries that connect to the skills employers are looking for when filling
10 available positions.

11 (b) Intent. It is the intent of the General Assembly:

12 (1) to acknowledge VTPM as an important, statewide, employer-led
13 model in its start-up phase with pilots in key industries;

14 (2) to support the development, scale-up, funding, and roll-out of VTPM
15 across all economic sectors, businesses of various size, and regions of the State
16 by training regional partners in local communities statewide; and

17 (3) to encourage the Agency of Education, Department of Labor, State
18 Workforce Development Board, and VTPM to collaborate in identifying and
19 developing additional credentialing programs within applicable industries.

1 Sec. 7. RESULTS-BASED MONITORING

2 (a) The Department of Labor, with the assistance of the Government
3 Accountability Committee and the State Workforce Development Board, shall
4 develop a framework to evaluate workforce education, training, and support
5 programs and services. The framework shall be applied to the State's
6 workforce system inventory and shall distinguish programs and services based
7 on method of delivery, customer, program administrator, goal, or other
8 appropriate category. The framework shall:

9 (1) create population-level indicators based on desired outcomes for the
10 workforce development delivery system;

11 (2) along with social network mapping work that the Board may pursue,
12 support program and service alignment of State-grant-funded projects with the
13 State Workforce Innovation and Opportunity Act Plan;

14 (3) align with the Board's vision;

15 (4) note performance measures that already exist in the workforce
16 system and identify where State-specific measures would help monitor
17 progress in achieving the State's goals; and

18 (5) identify gaps in service delivery and areas of duplication in services.

19 (b) The State Workforce Development Board shall consider whether the
20 information and data currently collected and reported throughout the workforce
21 development system are useful and shall identify what information and data are

1 not available or not readily accessible. The Board shall make its findings
2 available and recommend a process to improve the collection and reporting of
3 data.

4 (c) The State Workforce Development Board may create a process and a
5 timeline to collect program-level data for the purposes of updating the State's
6 workforce system inventory.

7 (d) The State Workforce Development Board may develop tools for
8 program and service delivery providers that support continuous improvement
9 using data-driven decision making, common information-sharing systems, and
10 a customer-focused service delivery system.
