

## **APPENDIX D**

### **Research and Development Tax Credit List**

This list shows companies completing activity in tax year 2014, which allowed them to claim the Research and Development Tax Credit, and that filed a return in calendar year 2015. This list might not include some entities that used the credit because it only includes entities that claimed the credit by earning and/or carrying it forward in this filing period. This list reflects returns filed and processed as of January 15, 2016.
