Subject: Oppose appointment of Karen O'Neil to a VLRB "neutral" seat

Senator Michael Sirotkin, Chair,
and Senate Economic Development Committee,

I am asking you, please do not support the appointment of Karen O'Neil to the Vermont Labor Relations Board "neutral" seat.

I am a Vermont State Employee Retiree, and do not believe that she will represent VT State Employees/Retirees as a "neutral" party.

Thank you for your consideration of my request.
