6 Early Head Start programs

Photo: A Head Start parent from Oakland, California with her child.

"My oldest son started EHS at 7 months old. I knew it was going to help him develop and learn; I didn't know that it was going to be great for me too. I was inspired to obtain my high school diploma and I graduated when my oldest son was just over a year old. I then enrolled in community college and started working to get my associates degree in early childhood education."

About NHSA

The National Head Start Association is a nonprofit organization committed to the belief that every child, regardless of circumstances at birth, has the ability to succeed in life. NHSA is the voice for more than 1 million children, 200,000 staff and 1,600 Head Start grantees in the United States.

For more information, please contact us: [go.nhsa.org/Contact](https://www.nhsa.org/Contact).

*Eligible is defined as children from birth to age five who are from families with incomes below the poverty level, are homeless, and/or receive public assistance. Foster children are eligible regardless of their foster family's income.
