To Date: There have been 28 sponsoring programs, 23 home-based recipients, 83 center-based recipients

HOW WELL DID WE DO IT?

OVERALL PROGRAM STATISTICS:

- Average GPA 3.65
- Average age of recipient 37
- Average annual wage increase of 3%
- All recipients must remain with their current ECE program for a year following completion of their TEACH contract

IS ANYONE BETTER OFF?

Recent annual survey gathered from sponsoring programs and recipients showed:

Recipients:

- Made them feel more confident in their ability to take college courses
- Attained a degree that they financially could not afford without the support of TEACH
- Allowed them to keep their position due to the increase in licensing regulations

Sponsors:

- Increase professionalism of staff
- Increased staff retention
- Allowed center staff to attain a teaching license so that their program could meet prequalification requirement for Act 166
