

Office of the Lieutenant Governor
Rachel Feldman, Chief of Staff for the Lieutenant Governor
November 10, 2015

Lieutenant Governor Phil Scott is a native Vermonter who grew up in Barre and graduated from Spaulding High School and UVM. He was elected to the Vermont Senate in 2000, and represented Washington County for five terms, serving as Chair of the Institutions Committee and Vice Chair of the Transportation Committee. He was elected Lieutenant Governor in 2010.

Phil is also active in a number of community service projects. The tire resale and recycling program that he founded in 2005 – “Wheels for Warmth” -- has raised more than \$253,000 for home heating fuel assistance programs. In the fall of 2011, Phil organized the removal and disposal of mobile homes destroyed by Tropical Storm Irene, at no cost to homeowners and without spending any taxpayer dollars.

Outside of the State House, Phil Scott is the co-owner of DuBois Construction in Middlesex, and he's the only Lieutenant Governor in the country who's also a stock car driver. He holds the record for the most career wins in the Late Model division at Thunder Road Speedbowl. He's also an avid cyclist and regularly participates in bike challenges and fundraisers around Vermont.
