

Proposed amendment to the provisions of 18 V.S.A. § 7257a(b)(2)

(2) The review process shall not commence until:

(A) any criminal prosecution arising out of the incident is concluded or the Attorney General and State's Attorney provide written notice to the Commission that no criminal charges will be filed; and,

(B) any civil proceedings arising out of the incident are resolved. If a civil proceeding arising out of the incident is filed after review has commenced, the Commission shall stay any review if a Commission member is a party to the proceeding or represents any party to the proceeding. In other cases, the Commission may stay any review upon the request of any party to the proceeding.
