## **H. 507 An Act Relating to Next Generation Medicaid ACO Pilot Project reporting requirements**

The Vermont Developmental Disabilities Council strongly supports this bill. Good public policy is informed by good and timely information. To that end, the Council suggests an amendment to H 507.

Please consider including reporting requirements for Vermont's other ACO Pilots. DVHA and the Green Mountain Care Board are operating and/or overseeing three other ACO Pilots.

The results for the 2016 Medicaid Shared Savings Program for CHAC and OneCare should be available in September.

The results for the 2016 Medicare and Commercial Shared Savings Programs should be available to the Green Mountain Care Board in September, as well.

The Council is happy to work with Legislative Counsel and representatives from DVHA, GMCB, and the ACOs on language.
